YBP-512

The background of the cover is a lush green forest scene. A stream flows from the top left, crosses a small wooden bridge with a dark railing in the middle ground, and then falls over a rocky ledge, creating a waterfall that continues down the center of the frame. The trees are dense and vibrant green, with sunlight filtering through the canopy in some areas.

1984

Front Row: Gina Ortega, Treasurer; Susan Groover, Vice President; Scott Henderson, President; Adrianne Covarrubias, Secretary; Row Two: Scott Wilmoth and Kelly Robb, Senators.

Senior Class Advisors: Mr. Lentz, Miss Keys, Ms. Brand, Mrs. Carr, and Mr. Pendell Chairman.

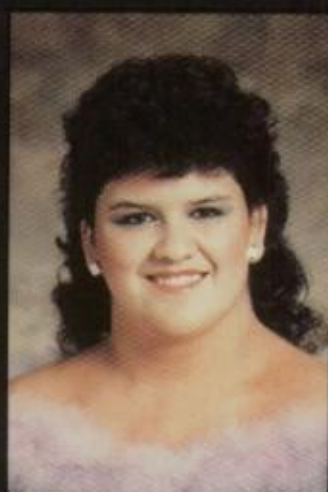

The Senior Class Cabinet set, strived for and achieved their goals for 1984. They made it a really memorable year. The success of the Homecoming Dance started off the year's activities with a bang! It was followed by many fundraisers, the profits of which went toward Senior year end activities. As the year came to an end, the seniors spent their last week living it up. Included in this year's Senior Week was the Senior Movie, Reflections '84, the Senior Breakfast, Commencement and the memorable all night cruise in the Long Beach Harbor on Grad Nite.

During this year, the Senior Class experienced many wonderful activities, and the joy of their friends. All of the Class of 1984 has grown and changed. They are better and wiser people than they were that first day in September four years ago. The Senior Class Officers express their hope that they created many wonderful memories for their class.

This productive and special year would not have been possible without the help and generosity of the senior advisors, parents and the seniors themselves. All efforts are deeply appreciated.

Fundraisers were time consuming activities for the Senior Class Officers. Inspired by the 1983-84 Men of La Habra Calendar, the Senior Class decided to produce a calendar that would appeal to all. The 1984 Men and Women of La Habra proved to be a success. The hard work payed off in profits. These profits went toward end of the year senior activities such as Reflections, the senior movie, and the senior breakfast.

Seniors Strike It Rich

Mr. Reynolds congratulates Anthony Weatherspoon on his scholarship from the University of Colorado.

The high-achieving members of the Class of 1984 were rewarded for their efforts on Wednesday, June 6, 1984. Senior Awards Night began at 7:30 p.m. in the Stirling Gymnasium, offering the seniors and their parents a chance to reflect on their many accomplishments. Over one-fourth of the class received some sort of commendation, often more than one, and \$461,000 in scholarships was awarded.

Scott Henderson, President of the Class of 1984, was Master of Ceremonies for the event. Mr. Keith Pendell, in his last year as Scholarship Advisor, presented many of the awards, along with Mrs. Sally Leeper, Career Guidance Technician. Surprised by a request from Mr. Dunton for their Scots capades solos, Susan Groover and Scott Olson added to the convivial atmosphere by performing beautifully.

Students were recognized by sources as diverse as Whittier College, the Southern California Edison Company, and the P.T.A. Thrift Shop. Congratulations to Student League Woman of the Year Paula Tezak, Man of the Year John Dorff, and all of the deserving seniors who were acknowledged.

Valerie Lowe expresses herself.

Mike Molina is pleased with what he hears.

This year's Reflections program was one of the most exciting and well-presented shows that La Habra High has ever produced. Working from the theme "Yesterday, Today, and Tomorrow", the show included skits tracing the beginning days of high school, present-day school life, and finally a preview of the Class of '84 high school reunion, featuring predicted, but unexpected, outcomes of different La Habra students. The show was highlighted by excerpts from the LHHS Drama Club production of *You're a Good Man, Charlie Brown*", featuring Brad Whitfield, Julie Pickering, and Madeline McCambridge. Valerie Lowe recited her poem entitled "Class of '84", and Trina Shaw sang a beautiful song entitled "Memories", which was written by Madeline McCambridge and Julie Pickering. A quartet of Karin Berry, Ronda Keller, Julie Pickering, and Jacquie Watson performed the Go-Go's hit, "Head Over Heels", and the Senior members of Dance class exhibited their talents in a medley of Michael Jackson hits. The show concluded with a slide show presentation, aptly titled "Old Friends". A buffet-style pot luck luncheon followed. Reflections chairperson Julie Pickering and her excellent committee are to be commended for their hard work and dedication in making Reflections 1984 a memorable event for the graduating seniors.

Breakfast Of Champions

Betsy Kruis helps herself.

"Ah, food!" sighs a hungry Joel Catron.

Senior Breakfast was a great success this year, with most of the Senior Class coming down to Our Lady of Guadalupe Church for a chance to eat some good food and savor their last day as La Habra students. Seniors enjoyed smoked ham, bagels, pasteries, and a variety of fruits. Many students used the hours to finish signing their year-end supplements, or simply to visit with friends that they would soon be saying good-bye to. Members of PTA, and next year's senior officers played hostess, and they were also responsible for helium-filled balloons that decorated the tables. All in all, the seniors got a chance to relax and enjoy each other's company.

"Good morning to you!"

The 1984 Commencement Exercise's were held on, June 14, 1984 at 4:00 p.m., in the Highlander Stadium. The ceremony began as the Senior Class Treasurer, Gina Ortega read the Invocation. Senior Class Senator Scott Wilmoth then led the class in the flag salute. The Commencement greeting was presented by the Assistant Superintendent, Dr. Sharon A. Matt.

As Senior Stacey Booth began her commencement address, the happy seniors class got anxious and the beach balls began to fly and the small hand held parachuters landed. The Senior Class quieted down as Senior Class Vice President, Susan Groover sang "Against All Odds", a song that touched everyone deeply. Soon after, Tricia Evans began her inspirational speech that was interrupted by the ever popular beach balls. The next musical selection was "I've Been Searchin' So Long" sung by Eric Alatorre. When Carolyn DeWitt addressed the Senior Class, she reminded us of the things our parents say "I had to walk thirty miles, in snow, just to get to school".

The Senior Class recognized five very helpful people to the class. Recognized were Mr. Tex Wallis, Mr. Armando Rojas, Mrs. Sue Shepherd, Mr. Bill Dunton, and Mr. Keith Pendell. The time had arrived when the seniors would hear Mr. Triggs present to the Board of Trustees, The La Habra High Class of 1984. After Mr. Triggs presented the class, Mr. Richard Gross accepted the class the roll was called. Mr. Wallis, and Mr. Pendell were the two faculty members chosen to call the class roll. The ceremony was over when Scott Henderson finished the Benediction and the band began to play the Highlander Alma Mater. CONGRATULATIONS, CLASS of '84!!!

Seniors Make Waves

Anthony Padilla and Wendell Hansen enjoy talking about girls

Will Segovia and partner dance the night away.

This year, the graduates of 1984 ended their year with an exciting and unforgettable all-night cruise in the Long Beach Harbor. The Senior Class all gathered at the Fashion Square Parking lot at 8:30 p.m. on June 14, 1984, to board the buses that would take them to the Harbor. At 10:00 p.m., after the buses arrived at their destination, the stimulated graduates embarked the boat for a cruise they will never forget. The Seniors danced interminably to the wonderful music of KNAC which was a DJ. Many students also walked around the open decks to view the enchanting Queen Mary, where the Senior-Junior Prom was held. It was indeed such a perfect and romantic evening for the Class of 1984. The PTA chaperones served midnight buffet which included roast beef sandwiches, mixed vegetables, fruit salad, and innumerable servings of drinks. Finally, the exhausted Class of 84 boarded the buses back to Fashion Square parking lot at 3:00 a.m. and arrived there at 4:30 a.m. Many students went out to breakfast to top it all off. Special thanks goes to the industrious Senior Class officers and PTA chaperones for making this unforgettable Grad Night possible.

"What are you looking at?" asks Brenda Nunez

Achieving Juniors

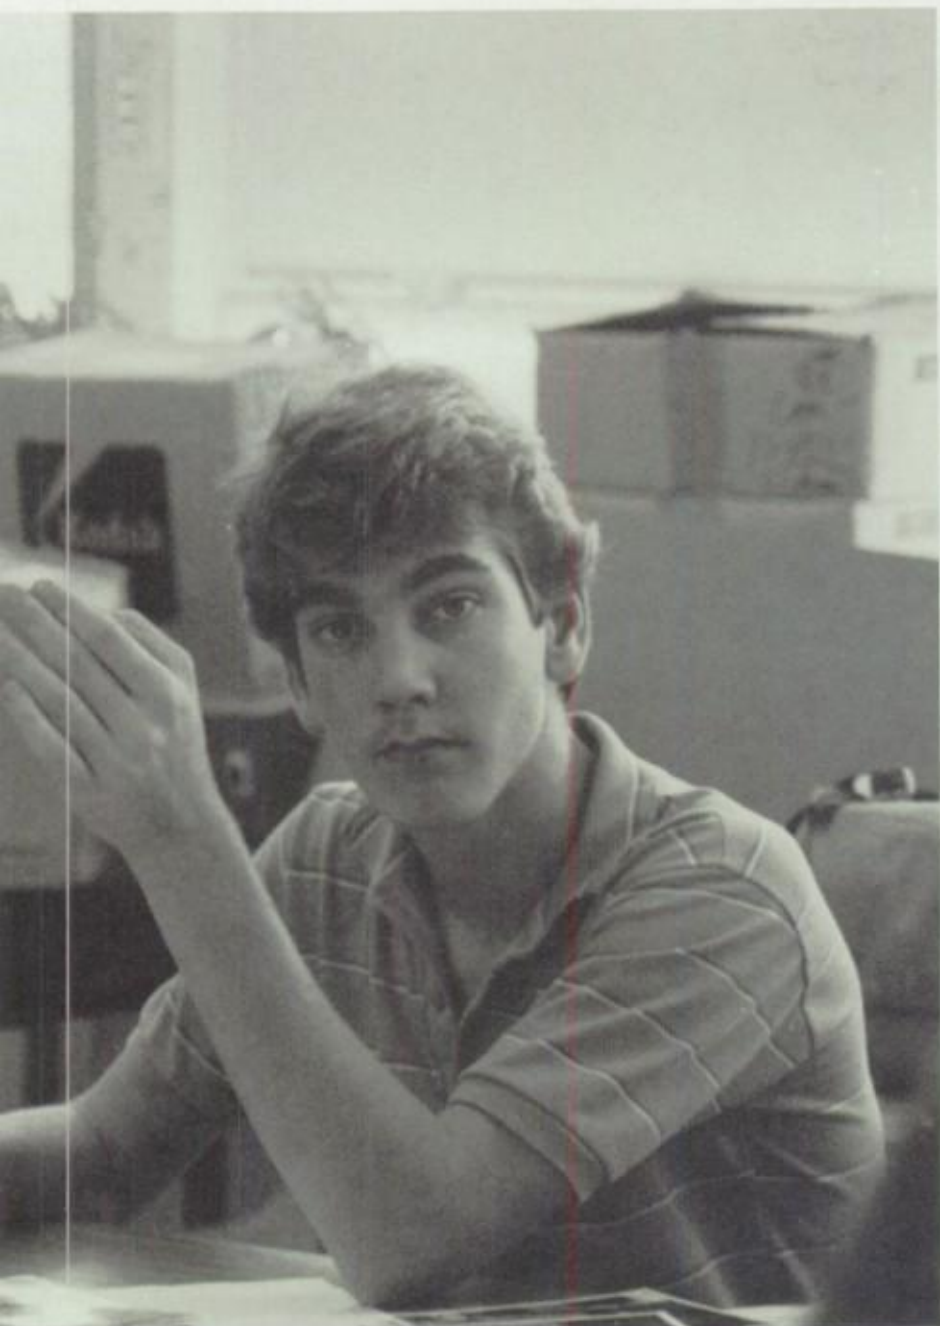

The Junior Class Officers: Karen Ercole, Secretary; Tracy Cone, President; Gretchen Geiger, Vice President; and Annette Brennan, Treasurer.

Junior Class Senators: Mike Wibben, and Leslie Carter.

The Junior Class Advisors: Mrs. Dutton and Miss Beebower.

"Want to try me?" threatens Dave DeWitt.

"I'm going to get you for that one!" smiles Suzie Smith.

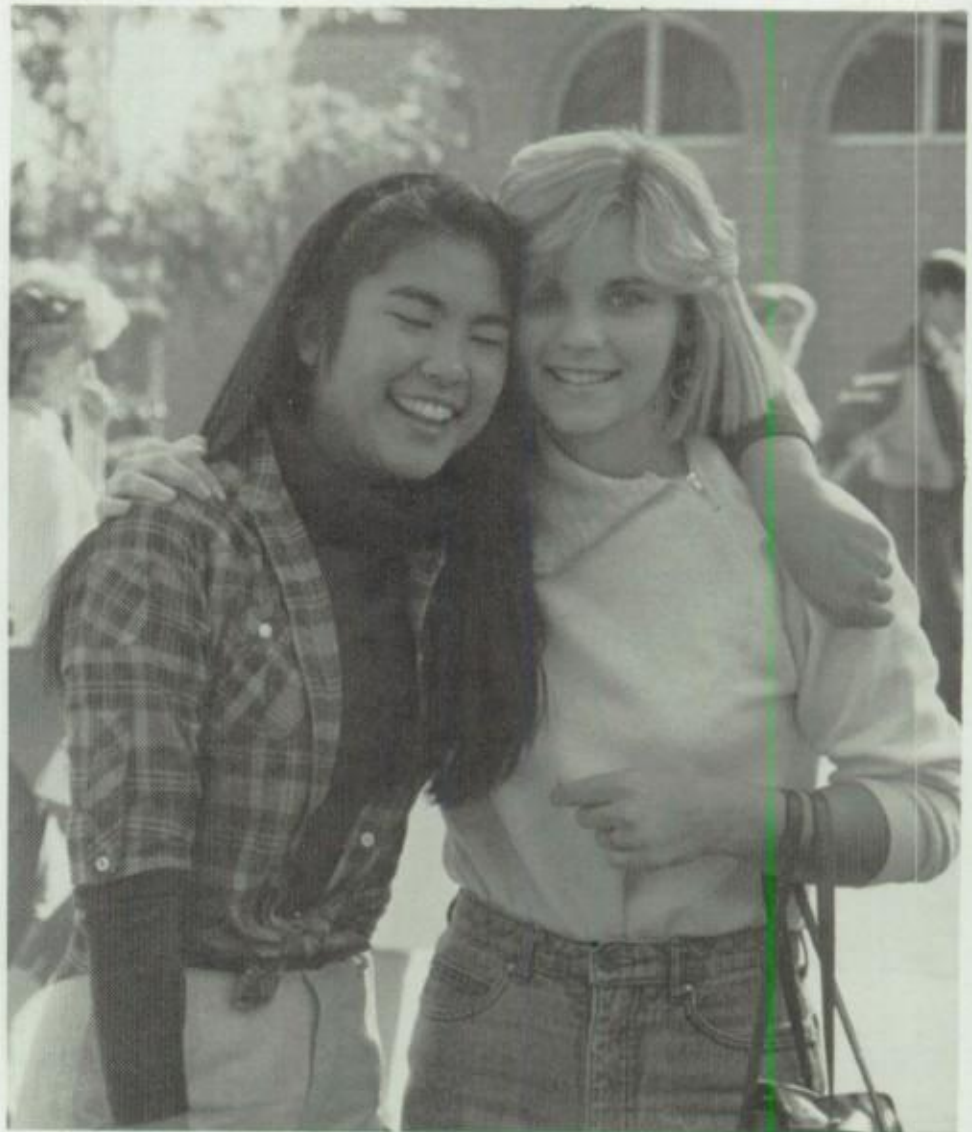

Earth calling Mary Rose...

The Junior Class of 1985, with their enthusiastic leaders, Tracy Cone, Gretchen Geiger, Karen Ercole, and Annette Brennan, are working hard to promote even more spirit among the Junior Class members, and it shows! "The Class of 1985 certainly has had a successful year, and the members are more than willing to participate in Junior activities and fund raisers," says Tracy. Such fundraisers as bagel, candy, and jewelry sales, turkey raffles at games, and a new idea called the Morp Dance, which is just reverse of Prom, all have helped support the 1984 Junior/Senior Prom. Prom was held at the Queen Mary and was very fun-filled and a night to remember for all those who were able to attend. Many thanks to the Junior Class Advisors, Mrs. Dutton and Miss Beebower, for their support and help to make the Class of 1985 a successful one.

Juniors Succeed Together

"Here she comes!" exclaims Mary DeLeon to Cindy Roman.

Sharon Iwane and Michelle Destiche enjoy each other's company.

Junior girls flock to the camera.

Amy Hiatt and Kristi Hansen take time out to share a smile.

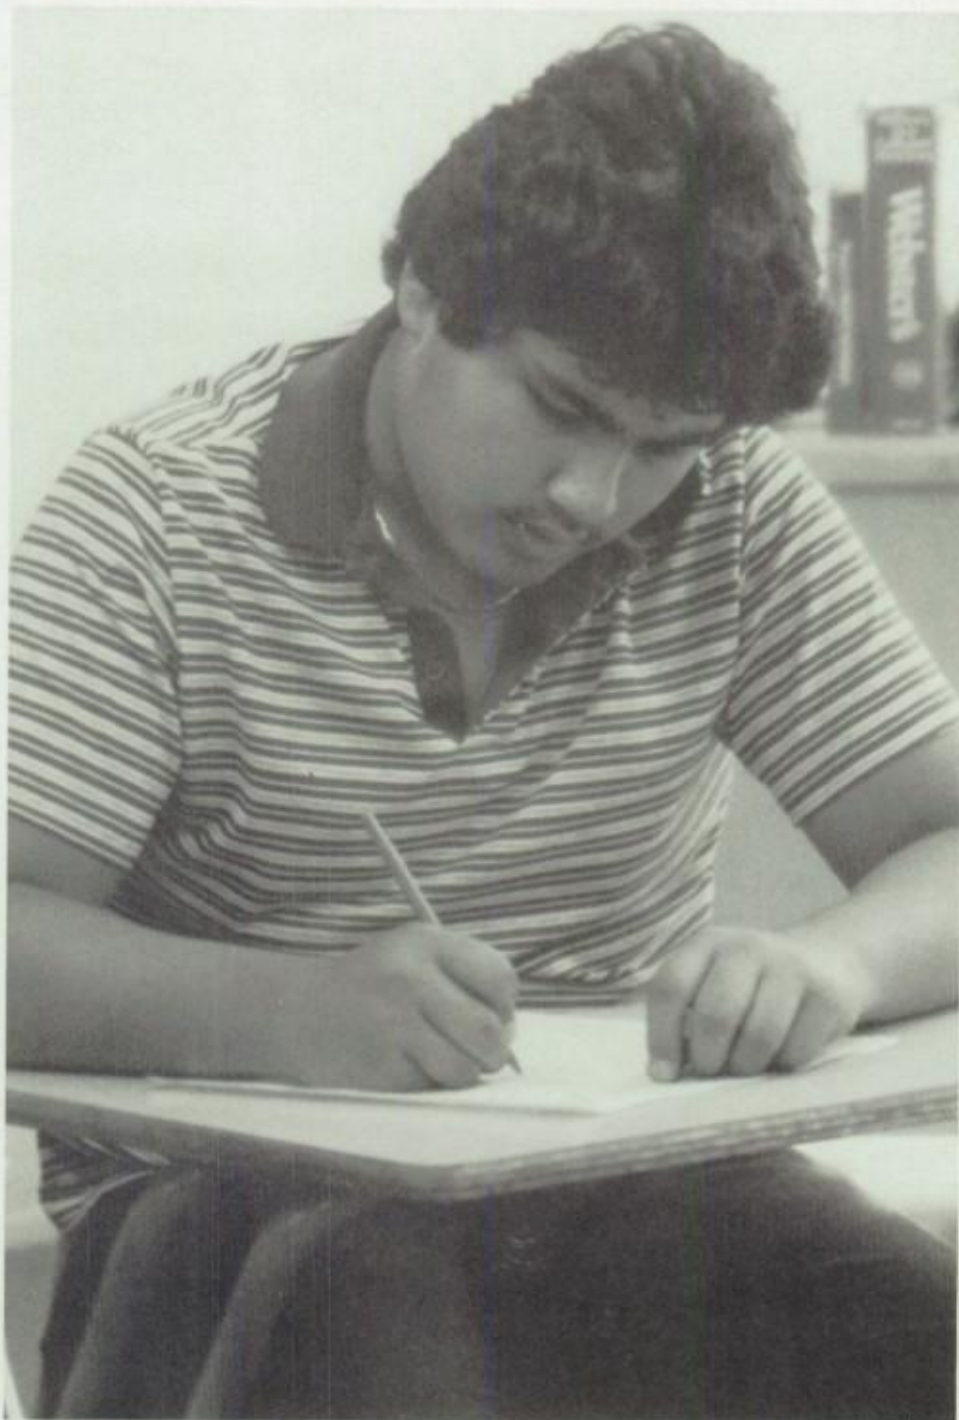

Leslie Carter and Kim Terella are up to no good!

Two heads are better than one, according to Yovonne Morales and Diane Barilone.

"You thought that was funny?" asks Bill Liva to Gregg White.

Gustavo Yniguez studiously takes notes.

In Competition Together

Mrs. Vazquez is a proud advisor to the class of '86!

Cherisse Collins is a good listener.

Justin Haines finds himself in a puzzling situation.

Susie Tannahill tries to make ends meet.

Since they first entered LHHS, the students in the class of 1986 have been very energetic and enthusiastic towards their school. They have also been very active in fund raising. During their Freshman year, various fund raisers netted a total of \$600. This year's goal was to raise at least as much money as the previous year. This was done by having one fund raiser per month. Among these were candy sales, donut sales, bagel sales, a beef jerky sale, and a chocolate Easter bunny sale. The purpose of all their fund raising is for the 1985 Jr/Sr Prom. Because of their incredible head start in the preparation of Prom, the class of 1986 proves to believe in setting challenging goals and high standards for themselves. This extraordinary class is quite an asset to LHHS!

Freshmen Officers Set Goals

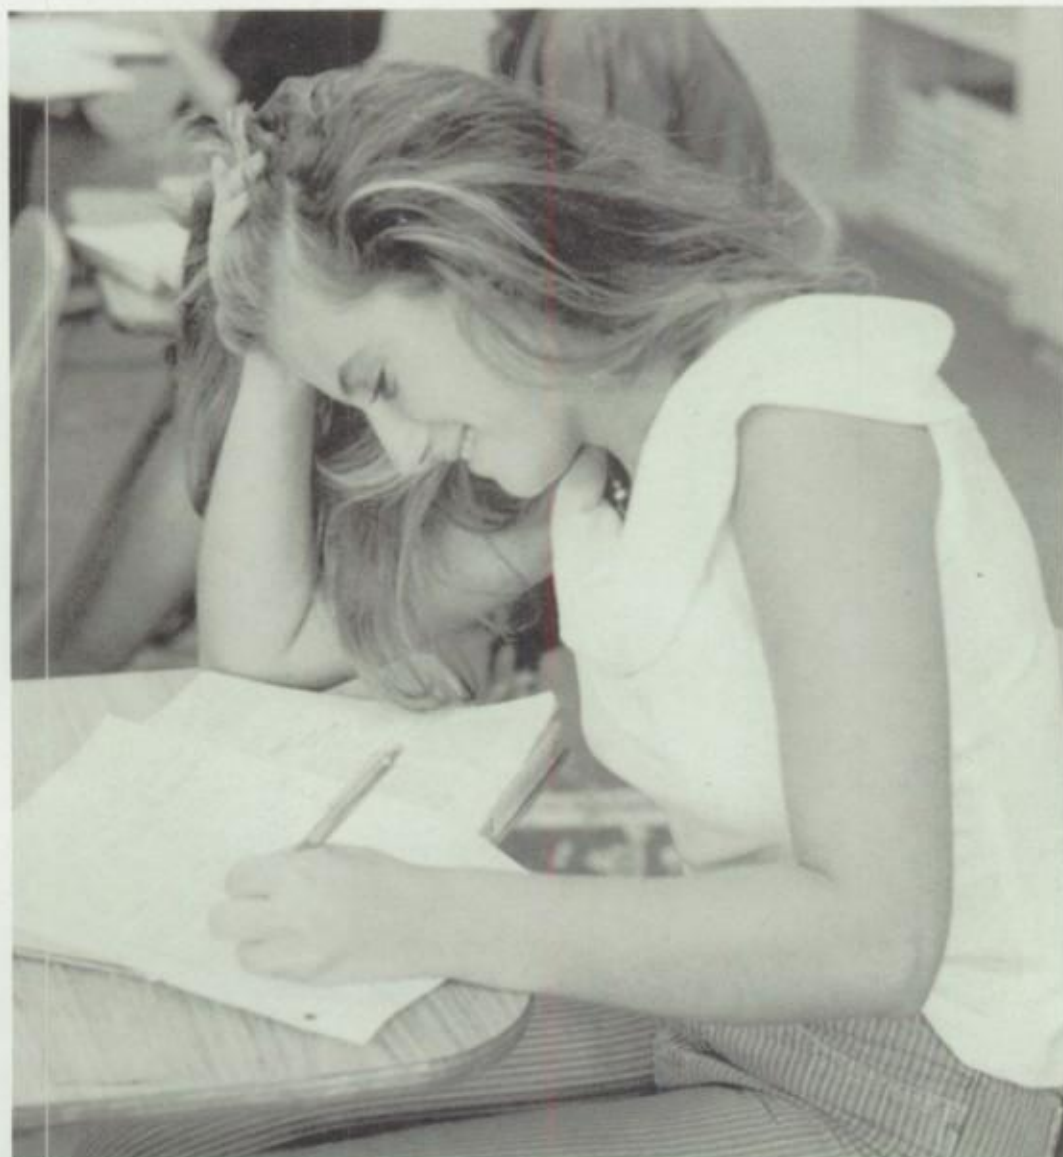

President; Carey Rhoades, Vice President; Chrissy Perez, Treasurer; Debbie Cooke, Secretary; Jessica Rosas

Freshman Senators; Janel Cron and Craig Contreras

Advisors: Mrs. Kiernan and Mr. Steelman

Kim Baker, a hard working Freshman.

The enthusiasm of the class of '87 was shown with great effort this year. Every year, each Freshman class is expected to raise \$500, and that amount every year after. This money stays with the class and is used for the Junior/Senior Prom. This year, the Freshman class had many fundraisers and sold such things as bagels, dill pickles, licorice, and Valentine balloons, which were all successful.

The Freshmen seemed to express themselves with pride, high spirits, and school spirit. The spirit of this class was seen by their enthusiasm and willingness to 'compete' with last year's class.

La Habra High School is very lucky to have a teacher as excellent as Miss Jane Hunt. After being valedictorian of the 1959 graduating class of the University of Southern Mississippi, she began to teach. She first taught at Pensacola High School in Florida and stayed there for five years. Because of the beautiful climate and the Arabian horses, she moved to California. She has been here at La Habra since 1964. She loves the "... attitudes, friendliness, and overall enthusiasm of the student body." Miss Hunt's first love is her Arabian Horses. She keeps them at her house in Norco. She currently owns nine horses and enjoys seminars, tours, shows, and anything that has to do with them. Miss Hunt has an exuberant personality and a very unique style of teaching. She is a wonderful lady who really cares about her students.

Mr. Terry, Spanish I-III

One of La Habra High School's most experienced teachers is in the Foreign Language Department. Mr. Terry has been teaching since 1956 and has never taught anywhere else. When asked if he likes it here he replies, "I've been here so long I must like it!" Mr. Terry says he has seen a lot of changes over the years, but he says the students have not changed a great deal. One of the newest changes is the new attendance policy which he feels is "tremendous". In his spare time, Mr. Terry enjoys back packing. He relaxes in the Sierras every summer. We are lucky to have an instructor with such a great desire to teach!

From then on, she has coached Girl's Volleyball, and for the past three years, she's also coached coed badminton.

Blinded By Science

Mr. McBroom, Earth Science and Physics.

Mr. Reilly, Biology, Science Survey, Marine Biology.

Lezlie Dahlberg has been teaching Chemistry at La Habra High School for two years. Although she hasn't been at L.H.H.S. long, Ms. Dahlberg has developed a good relationship with her students and has also made a positive impact on all who know her. "I really enjoy L.H.H.S.," Ms. Dahlberg commented. "The students are open, interesting, and very intelligent." Her positive attitude in regards to her students is not only refreshing but also encouraging.

Ms. Dahlbert first decided to go into the area of Chemistry because as a girl she was told that women did not belong in the math/science field. She originally wanted to prove them wrong but later discovered how interesting chemistry really was. "Chemistry isn't easy," Ms. Dahlberg admits, "but it's important if we are to understand what's happening in the world around us."

Because Ms. Dahlberg really cares about her students, she is not only a terrific teacher but also a real friend. La Habra has been very privileged to have Ms. Dahlberg on its staff for the past two years, and we hope that she will stay with us for many more.

Ms. Larsen, AP U.S. and World History

Ms. Anita Larsen has been teaching history to students at La Habra for seventeen-and-a-half years. She enjoys young people because she feels that "youth possess a special energy and a refreshing outlook on life."

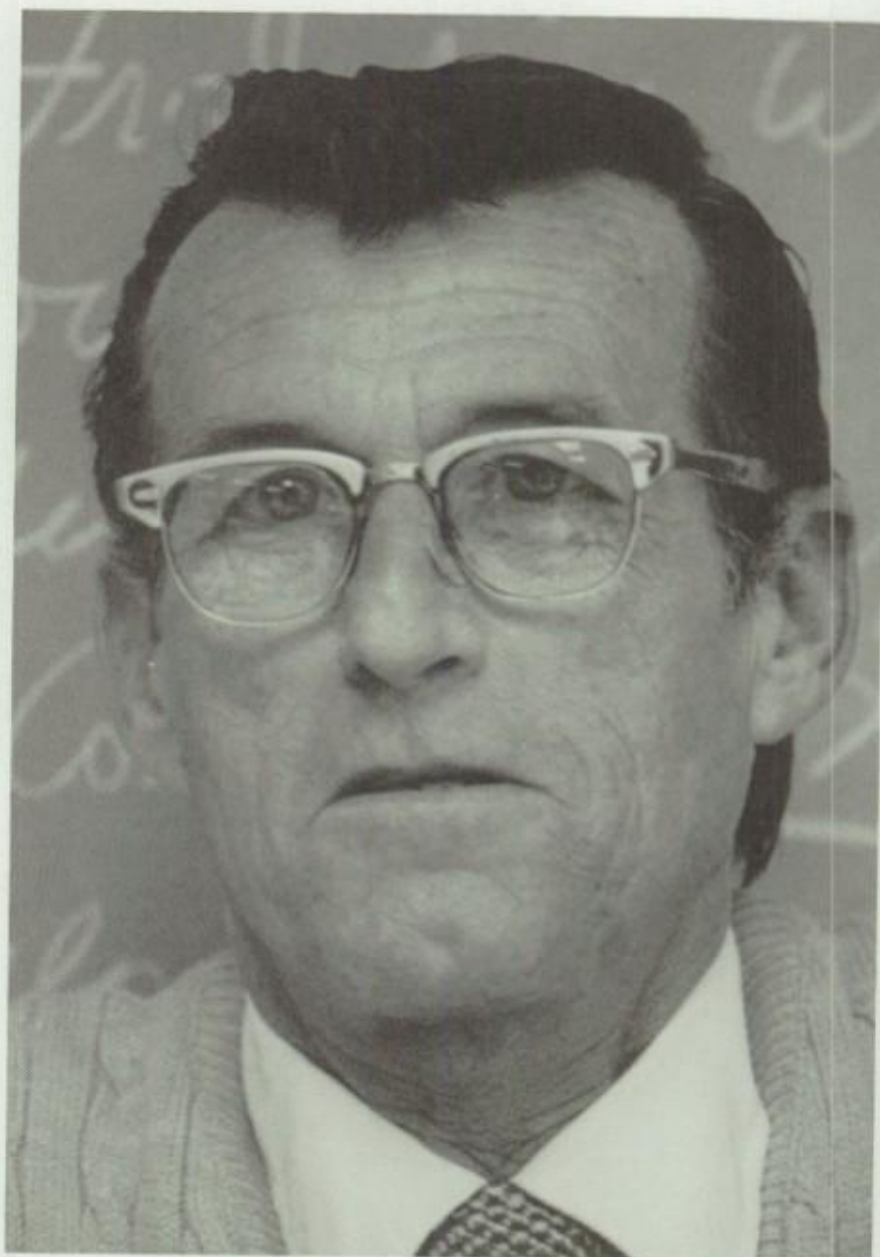

Ms. Larsen is as energetic as the youth that are in her classes. She is an avid patron of the arts and enjoys cooking, and traveling. The South of France is a favorite vacation spot because of its California-like climate. Even her two schnauzers, Reisender and (good ol') Schnuppe possess a distinctly European touch of their own.

Ms. Larsen put a lot of time and effort into the two clubs she advised, Student League and Unified Students. Student League is a particular favorite because it offers young women the chance to play an active role in leadership. Being an active person herself, Ms. Larsen was first attracted to the social science field because she felt that this ever-changing subject was exciting and would allow her to express herself and her political views. "History is a subject that continually reinforces itself in both knowledge and learning," Ms. Larsen stated. "That's why I love it!"

Ms. Larsen is a colorful, vivacious woman. She has most assuredly added much flavor to L.H.H.S. We, the student body, are glad to have Ms. Larsen at La Habra and appreciate the opportunity of learning from her.

"What A Feeling!"

Homecoming vocalist Susan Groover has the feeling!

What a Feeling! . . . On November 4, 1983 the La Habra A.S.B. presented an elegant Homecoming celebration during the halftime intermission of the Sonora vs. La Habra football game. Stacey Booth, the effervescent master of ceremonies, announced the lovely hopefuls as their Corvettes rolled into the stadium. Tensions mounted as Susan Groover, accompanied by the LHHS Marching Units, performed the theme song "What a Feeling." Debbie Cohen, the returning queen, tearfully exchanged her crown with Cindy Zaluske, who was ecstatic to be named the new Homecoming Queen for 1983. The A.S.B. extends special thanks to the sponsors and to the many people whose efforts made the evening a tremendous success.

The 1983 Spirit Week and Homecoming Ceremonies were great successes. The Homecoming Dance, which took place on November 5, 1983, topped off the week's festivities. The couples began to arrive at LHHS at eight o'clock p.m., ready for fun. They found that the Stirling Gym had been transformed. Busy members of the Senior class had spent hours before the dance to set the romantic stage to the theme of "Open Arms". Streetlamps, benches, trees and a fountain completed the mystical scene. The music to which the students danced was skillfully performed by "Rampant". Later in the evening, the court and their escorts were introduced. The rest of the night was danced away.

This year's Evening with Royalty was at the Queen Mary Hotel on May 5th. Tourists stared in awe as the gorgeous La Habra High School students arrived in elegant automobiles and proceeded to the Grand Salon Ball Room.

After eating a satisfying dinner of tender steak, rolls, and vegetables along with an appetizer and dessert, dancing to "The Bachelors" began.

At 9:30, the tension rose as the coronation ceremonies began. Susan Groover and Ken Skyles started the event by singing the Prom theme song: "Just You and I". Soon afterwards, the court anxiously lined up and awaited the results. Sighs of relief were finally released when John Dorff and Sheryn Atkinson were crowned the 1984 Prom King and Queen.

Dancing then continued until midnight. For those who still had energy, the PTA-sponsored Breakfast/dance was available. Students then danced until the roosters were cawing.

Our thanks go out to the chaperones and to the Junior Class Officers who spent the entire year preparing for the big event. A very special thanks goes to Mrs. Duttn and Miss Beebower who have contributed to the success of a long history of Proms. Unfortunately, this was their last year as Jr. Class Advisors. A great loss will be felt!

Take 10

Sharon Christner is "loved by" Eric Zaluske, Steve Shaw, and Jamie Martinez.

This year's variety show was called "Take 10". The performance was exceptional, and simply unsurpassed to any other year. The great success of the show was exemplified by the outstanding organization of its two dedicated directors Susan Groover and Julie Pickering, and the determined choreographer Cindy Zaluske. These three girls led the cast in producing a completely enjoyable show. Their leadership characterized the purpose of the show; unity and enjoyment. These feelings of joy were felt by the audience each night.

The numbers performed were from the 1920's to the 1980's. Each number was done with its own special self-pride and accomplishment. All of the numbers were danced and choreographed by students. Congratulations to the talented La Habra dancers!

T'was The Night Before Christmas

Tandi Toten and Susan Groover swing in their slippers.

The warmth and good cheer of the holidays was ushered into LHHS on December 9, when the La Habra A.S.B. sponsored the dance, "Twas the Night Before Christmas". The festive event took place in the cafeteria, where complete with a fireplace, couches, and a Christmas tree, couples were enchanted by all the traditions of the season. Dancing, good friends, and good times were all a part of the magical night. And of course, everyone had the chance to visit Santa and take that special picture! UTTER CHAOS!!!

On October 27-29, 1983, the L.H.S.S. Drama Department presented "You Can't Take It With You", a comical play written by Moss Hart and George S. Kaufman. The play presented a struggling young, sane girl coping with her engagement to a prestigious business man. The problems arise when the girl's fiance, and his parents arrive unexpectedly and meet the real, zany, peculiar, and wild Sycamore Family. The play was directed by the new Drama Instructor, Miss Eileen Johnson, and student direction was provided by Samantha Blythe. The presentation was greatly appreciated by the audience.

A New York playwright attempts to solve the murder of his fiancée which was believed to have been a suicide. Clint and Will go over some last-minute details.

Paula Tezak prepares to pass as Jennifer Mason blocks.

A hairy cheerleader kidnaps Paul.

Juniors show determination as a new play begins.

Seniors anxiously await their turn to play.

Lookin' tough!

May 24th is a day that will go down in the history of LHHS. For one, the very first Powder Puff king was crowned. Secondly, the class of '84 managed to claim the winning title for two years in a row.

Both teams worked very seriously and put in many long hours of vigorous practicing for this annual event. When the big night finally came, both teams fought their hardest. Seniors Stephanie Brennon, scoring two touchdowns and Paula Tecak, scoring one, were responsible for taking the lead over the Juniors, and allowing the Seniors to come up with a final win of 27-0.

There's a large number of girls who participate in this event every year because getting in shape, representing their class, and being in the spotlight as a football player appeals to them. They also enjoy the friendships that build as a result of working together as a team.

Powder Puff is not only an enjoyable experience for the players and the coaches, but the audience and cheerleaders also get a chance to share in the fun!

Juniors Win 1st Power Buff Game

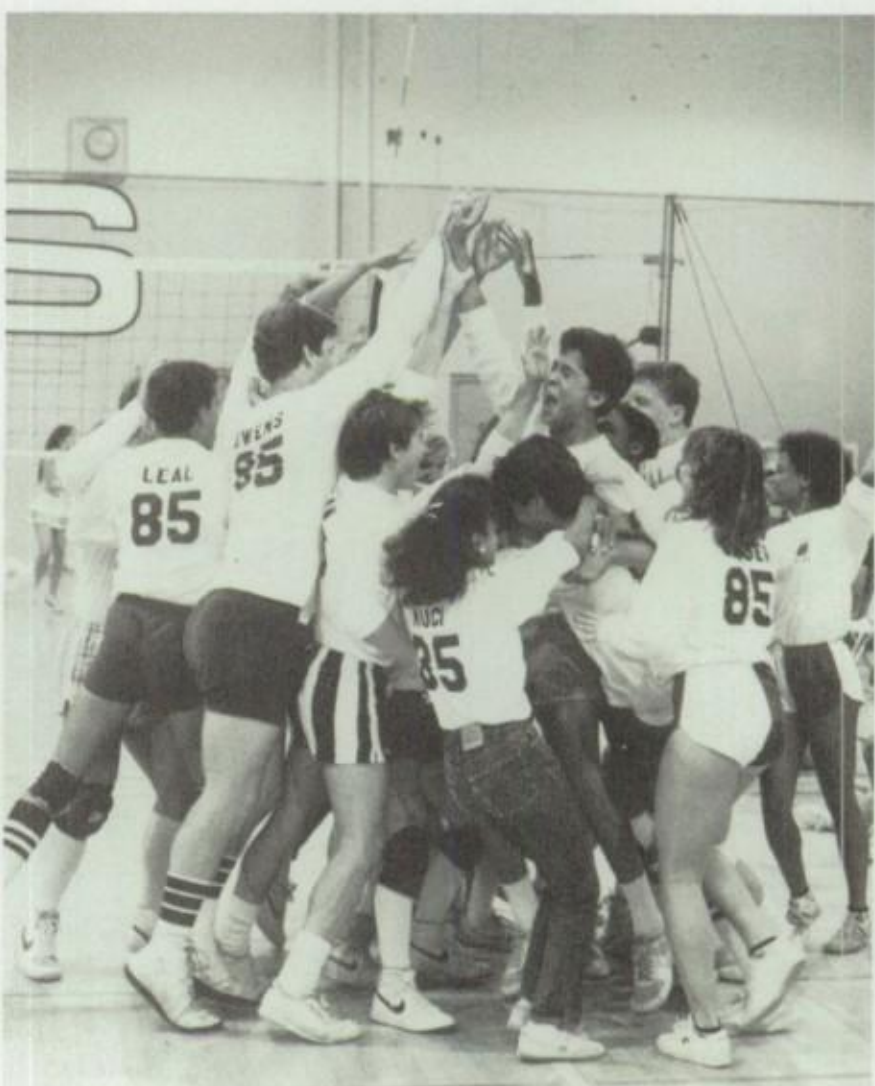

A great block by Robert Berg.

Jeff Schobel makes a tough dig.

A put-away spike by Henry Esparza.

Junior players and coaches celebrate their victory.

For the first time in La Habra high's history, a boy's volleyball game, with the Seniors against the Juniors, was held and received with great enthusiasm. The game was called "Power Buff", and will most likely be an annual event, like Powder Puff. The idea for such an event was created by volleyball players Annette Brennan and Gretchen Geiger, who also happened to be members of this year's ASB, so they were able to make their brainstorm a reality. The ASB-sponsored event took place on Friday, June 8th, in the gym. As the football players are the only boys eligible to coach Powder Puff, only Varsity Volleyball players were allowed to coach Power Buff. For the Seniors, the coaches were Paula Tezak, Dana Dickson, Tammy Springer, and Stephanie Brennan. The Juniors were coached by Patti Ostergren, Lee Muci, Debbie Knight, Annette Brennan, and Gretchen Geiger.

There was an excellent turnout for this new event, and the crowd was very involved throughout the game. Although both teams had only a week's practice, they displayed excellent talent and teamwork. The Juniors, however, were clearly the dominant team, lose only one game in a best 3 out of 5 series, in route to a stunning victory matched only by the Senior Power Puff victory. This game gave the Juniors a chance to avenge that humiliating loss, which they did with a powerful attack and tough defense. Congratulations go to both the players and coaches of both teams for putting on an excellent game and beginning a new tradition that La Habra can be proud of!

The Juniors show their winning defense.

Seniors remain good sports after their loss.

Estatic Juniors know whose number one.

Keith Rhoades shows why he was Junior Captain.

Robert Guillen awaits the set from Mike Slifka.

The 80 dancers involved performed such dancing as Jazz, Tap, and Hula. There were 26 dances in each of the three evenings in the lecture hall. The producer was Ms. Keys, the dance instructor. The students and parents that attended were well entertained.

Gina and Irene make their bodies talk.

Sandra Naccarato grooves to "Der Kamisar."

Musical Season A Success

The Concert Band is ready to begin.

Four shiny saxophones play in unison.

Mr. Dunton accompanies the Concert Choir.

The L.H.H.S. Music Department put on another fine performance on Wednesday, December 14, 1983. "A Christmas Concert" began at 7:30 p.m. in the Stirling Gym. Directors Bill Dunton (vocal) and Jorge Garcia (instrumental) expended a great amount of energy to insure that this year's concert met the high standards established by previous shows.

The Winter Concert featured the combined talents of the Mixed Chorus, the Concert Band, and the Concert Choir. Soloists Karin Berry, Annette Lascari, and Scott Olson also sang beautiful renditions of popular holiday carols. The highlight of the evening occurred when friends and alumni joined in the performance of the Hallelujah Chorus from the Messiah. It was a triumphant ending to a superb musical program.

The Concert Choir prepares to carol.

Soloist Eric Alatorre pauses for breath.

Danny Echevarria watches the music carefully.

Accompanying the Mixed Chorus are Mr. Dunton and drummer Mike Fuqua.

Mr. Jorge Garcia directs the Concert Band.

On March 13 and 14, 1984, the Music Department continued its tradition of excellence with this year's Spring Concert. The program began at 7:30 p.m. and the wonderful music continued for nearly an hour. The Mixed Chorus, the Concert Choir, and the Concert Band all contributed their special abilities, and there were also fine solos by Eric Alatorre, Scott Olson, Robin Rybkowski, Trina Shaw, Ken Skyles, and Suzie Smith. It was another triumph for our ever-talented musicians.

Swinging Sweethearts

Steve and Frank snuggle with Toni and Barbara.

On February 11, 1984 Cupid struck La Habra High School, bringing with him a heart warming evening. Sweethearts enjoyed an intimate night dancing to music chosen by KNAC disc jockey, Paul Adams. Speckled with hearts, and flowing streamers, the cafeteria was converted to the perfect tunnel of love setting for the couples. The occasion was sponsored by the ASB, whose efforts were greatly appreciated.

Disc Jockeys choose the tunes for the evening.

Imagine being surrounded by tropical green palms and sparkling waterfalls and at the same time being entertained by authentic Polynesian dancers as you indulge in a domestic Hawaiian meal complete with Teriyaki and pineapple!... well you're either on Waikiki Beach, or at the next best thing — Hula Hawkins '84! Yes, on April 7, 1984, the La Habra ASB presented "Hawaiian Fantasy"... an entire duplicate of a traditional Hawaiian Luau. The evening began with an enchanted ride from the parking lot to the Stirling Gym, where couples were left off at the entrance to the Hawaiian Paradise! After the formal Hawaiian ceremonies concluded, Highlanders "hula'd" to the sounds of the "Big Beat", until midnight. As an added tropical-touch, couples were able to exchange Hawaiian vows and be officially "hitched" under mystical moonlight. Congratulations to the Associated Student Body for organizing this tropical success... the meaning of the Hawaiian word "Aloha" was truly brought to life with all of the happiness and companionship that surrounded this dance.

May 30th through June 2nd, 1984, it was Scotscapades time again. This year Scotscapades was pleased to present selections from the Broadway musicals “West Side Story,” “The King and I,” “Brigadoon,” and “My Fair Lady.” Producer-director Mr. Bill Dunton, as usual, put forth countless hours of dedication to his annual show. Mrs. Lynn Dunton, Artistic Director, worked hard deciding what would be appropriate for this year’s set. Costumes were also done during her extra time. Tryouts for solo songs were in early March, and finals and call backs in mid-April. Vocal soloists rehearsed during classes and after school with vocal coach Kristen Dunton and Director Mr. “D”. The two student choreographers, Rodney Munoz and Kelly Robb, began choreographing in early February. The fantastic lighting was provided by the two most professional technicians around, Mr. Brian Philbin and Mr. Scott Ward. The beautifully mixed sound was thanks to Scott Shoup and Doug Cox. All in all, Scotscapades 1984 lived up to the good old Scots tradition and was great! Though there were rough times, Scots ’84 made it through them and saw the light of opening night!! Congratulations to Mr. Dunton, Mrs. Dunton, Kristen Dunton, and the entire cast and crew, and thank you for an entertaining evening!!!

"I'm the man for you" says Peter Gomez.

Tammy Robertson runs off the floor for office.

A lot of politics and even more enthusiasm contributed to the excitement at the 1984 ASB Convention. Delegates elected in homeroom classes shouted and cheered for their favorite candidates as a band played and balloons and confetti filled the air. The Convention is held annually to determine which candidates will be on the ballot for the Executive Cabinet positions, and this year it took place on April 25, 1984, in the Stirling Gym. A microcosm of the American democratic system, it actively involves the student body in our political processes.

Staged by Elections Chairman Fred Luedtke, the Convention went smoothly despite a few snags. ASB President John Dorff, a "man of many hats", was master of ceremonies, and Councilwoman Dorothy Wedel gave a speech emphasizing the importance of getting involved in politics.

The Secretarial election was first, with Dana Long scoring a decisive victory and Dayna Lindenau also getting on the ballot. A close race for Treasurer followed, with Annette Brennan beating out Karen Ercole and Peter Gomez for the first spot on the ballot. Tammy Robertson ran "off the floor" and was also victorious. Steve Shaw defeated Mailana Mavromatis in the Vice-Presidential contest, with Tracy Cone also running "off the floor" to win a place on the ballot. The Presidential election was extremely close, with no candidate ever receiving a majority of votes. Finally, after the tension-filled fourth round, it was decided that Gretchen Geiger, Kerry Severson, and John Zofrea would all appear on the ballot.

The final election was held a week later, and next year looks promising. The 1984-1985 Executive Cabinet is: Dana Long, Secretary, Annette Brennan, Treasurer; Tracy Cone, Vice-President; and John Zofrea, President. Congratulations to these fine young leaders, and good luck.

Gretchen Geiger's supporters march on!

Councilwoman Dorothy Wedel gave an inspirational speech.

Presidential Candidate Kerry Severson and his visored supporters look anxiously at the scoreboard.

The floor is chaotic as balloons fall from the ceiling.

ASB Dances Rock On!

Steve Grutbo captures snowbunnies, Julie Pickering and Michele Reeser.

Because of the combined efforts from the ASB and PTA, La Habra was able to enjoy a variety of stag dances this year. Each dance carried its own theme that encouraged both interest and enthusiasm throughout the student body. Beach Bum, Toga, Plymouth Rock, and Ski Bum all proved to be individual successes, made complete with entertaining Disc Jockeys and good sounding music. Whether it was in the gym, or in the cafeteria, each dance was accompanied with colorful decorations, refreshments, and Highlanders of all kinds! As an added twist, the Junior class introduced a brand new dance with a theme entitled "Morp". The theme, interestingly enough spells Prom backwards, and of course, brought about a dance of the same nature... tuxes were out and trash was in! Many thanks go to the PTA for their long hours of time and effort, and to all of those who helped in making the dances so enjoyable!

Mike Wibben crowns the tearful Morp Queen Veronica Lizarraga.

Bill Small makes a move in mid-air.

Dear Friends,

With the closing of another year, we are thinking of those who will leave and those who will continue on at La Habra. Those of us graduating have had four years of growth and memories that will remain forever. We cannot begin to realize the everlasting gifts that have been bestowed upon us in this small, but ever so important, segment of our lives.

What we have learned from other individuals may be the biggest part of our education. When times are good we want to share them with friends, and when things go bad we need the support friendship gives. This is why the relationships we build are so important. We developed a strong comradeship among ourselves that was strengthened by a common bond we each possessed: determination and enthusiasm. We have laughed together in times of joy and cried together in times of sorrow.

I am honored to be associated with the outstanding people of La Habra High School. LHHS has the history of being one of the most active schools in Southern California, and every individual at La Habra has contributed to the school's great success. It was the combined effort of each one of us that made the year what it was. We have all learned to give a little of ourselves, making LHHS more than an educational institution.

I want to thank you for making my years the very best. I will miss each one of you. We have grown in unity unparalleled by any other year, to become one huge family, enjoying life as one. May we all remember what it means to be a Highlander, and to carry on with the unsurpassable Highlander Pride!!! You are special people, and I thank you for my many memories

With love and thanks in my heart for all-

*John Dorff

World Class ASB

Miss Hunt consults with Mr. Pendell, A.S.B. Advisor.

"Spirited" and "energetic" are two words that were often used to describe the 1983-84 ASB Cabinet. The thirty-eight members saw their goals and were not diverted from achieving them. They were one of the most active and successful Cabinets in the history of LHHS.

One objective they set was to raise money and not overspend. Candy sales and a Pizza Night were very profitable, along with the always entertaining Donkey Basketball game and the annual Powder Puff game. A new sporting event, the Power Buff volleyball game between the junior and senior boys, was also enjoyed by all. The annual Hula Hawkins dance was supplemented by numerous other ASB-sponsored dances, more than were ever given before. Occasionally the many fresh ideas that were put into action caused some problems, but the Cabinet members refused to give up in the face of adversity and disappoint the student body.

Increased student participation and unity were also sought. This was accomplished by the creation of a Congress. The Cabinet members themselves set a wonderful example of unification by working together constantly.

The very determined ASB strove to make this year a great learning experience. President John Dorff sums up, "Even though we have faced many roadblocks, we feel that we have accomplished what we were elected to do — that is, to make this school year the best and most memorable for everyone."

1983-84 Congress

A representative reads through the agenda.

Kristi Hanson clarifies a point for Dawn Ferriello.

Representatives carefully take notes for their classroom reports.

Congress' inaugural year was the start of an important branch of student government. It was created under the LHHS Constitution to increase communication between the student body and the ASB. Despite several organizational problems, the Congress worked well as a forum for inter-student discussion and a tool for increased student awareness.

Two representatives were elected in each homeroom. They had two primary responsibilities, and attendance at the bimonthly meetings was mandatory. The representatives brought classroom concerns to the attention of the ASB through the presiding officer (and ASB Vice-President) Steve Grutbo and Secretary Jodi Blair. Also, they delivered information about ASB activities to the classroom. It was a mutually profitable exchange, and an exciting new beginning for Congress.

Putting together the yearbook is a more difficult task than many realize. It requires a large investment of time and skill on the part of a small group of students. Led by hardworking Editor-in-Chief Stephanie Brennan and assisted by able Advisor Mr. Keith Pendell, the experienced 1983-1984 yearbook staff labored to produce the best book possible.

This year's theme was the 1984 Olympics. The commitment to excellence that this represented was reflected in both the finished yearbook and the attitude of the staff. Teamwork was an important factor in their success. No one was ever too busy to put forth some extra effort to help a harried colleague. The energetic staff also joined together in selling a record \$7,000 in ads. A great deal of advertising revenue was raised, and this money was used to aid in production and keep costs from increasing.

The talent and dedication of the entire staff was responsible for creating a yearbook of which all La Habra High School can be proud.

Student League is one of the oldest, most active, and most effective clubs on campus. Those capable young ladies are busy all year round raising funds for their scholarship program. In addition to raising funds, they award the title of Student of the Month to outstanding scholars. One is selected every month from September until June. Student League also plays an important role in introducing new students to LHHS.

This year's fundraising schedule began with the annual Sadie Hawkins Dance in October, which was extremely successful. A very profitable candy cane sale took place in December. Student League also sponsored a teacher's luncheon on St. Patrick's Day. On April 5th, LHHS celebrated Friendship Day when one could buy a carnation from any Student League member and have it delivered to a friend. The yearly Mother-Daughter Tea was wonderful as always.

The purpose of all these events was to raise money for the Student League scholarship program. These well-deserved and greatly appreciated awards were presented to carefully chosen seniors at the end of the year, and capped another fantastic season for Student League.

Mia Kovacevich claps enthusiastically.

Combine talent, energy, and skill, and you'll have the 1984 Yell Leaders. After winning a Superior trophy at U.S.A. Camp, they continued to cheer hard for our many great teams. These eight dedicated girls practiced diligently learning and perfecting their dynamite cheers. They successfully completed all of their responsibilities and never let the sports teams down. We were lucky to have a squad as spirited as the 1984 Yell Leaders!

"That should have been ours," thinks Kami Putnam.

Sara Faden ponders over the last play.

The 1984 Songleaders were one of most spirited groups in all the years of La Habra High School. At summer camp in Santa Barbara, they received many Excellent and Superior awards along with a prestigious Spirit Stick. Their talent prevailed and they danced through football games, basketball games, and many pep rallies. Always willing to work, their spirit spread throughout the school, and soon everyone was as proud of La Habra High as they were. Through many fundraisers, they continued to support boys and girls athletic departments. We would like to thank them for the many hours they spent creating a positive atmosphere at La Habra High School.

The enthusiastic J.V. Yell of 1983-1984, showed LHHS pride in everything they did. They worked very hard to go to camp last summer and come back with all 'Superior' blue ribbons. This hard work showed when they cheered at all J.V. games and all C.I.F. Varsity games. They also had many fund raisers such as candy and pom-pom sales, car washes, and a skating party. Congratulations to our hard-working J.V. Yell.

One of the largest and most popular groups on campus, the Great Books Club has been going strong for 23 years. The Club is open to all students in the Great Books class. Thespians prepare to take a bow.

The Thespians' lives were eventful in 1983-1984. They staged several excellent and healthily-attended plays, such as You Can't Take It With You in October, and Rehearsal for Murder in February.

Capital was needed to cover the many expenses incurred during the course of the year, and so two fundraisers were held. The Thespians sold candy bars in November and donuts in December.

They also attended drama festivals. The skilled actors and actresses appeared at the District Drama Festival on March 22nd, and also were present at the Chapman College Drama Festival in April. Because of their boundless energy, and dramatic proficiency, the Thespians had a very memorable year.

The La Habra Dance Production is a group of hard-working, talented advanced Dance students. They put on two dance shows every year, the Winter and Spring Dance Concerts. These shows are entirely the creation of the students; they perform, choreograph, and choose the music for them. This year's Concert's were very successful and perhaps even surpassed those of previous years. The club also sponsors activities to raise funds to buy equipment and records for the use of the whole Dance Department at La Habra.

An additional highlight was the Dance Production's participation in the District Dance Festival held at Fullerton High School. It was a well-deserved moment in the spotlight for a group of gifted girls.

This year's officers were: Pete Fuqua, President; Mary Rose, Vice-President; Carolyn De Witt, Treasurer; and Joan D'Agostino, Secretary. They led many successful fundraising efforts with the goal of awarding scholarships to able seniors. It was a happy, prosperous year for the ever-growing group of bright, accomplished students that comprise C.S.F.

Academic Decathlon

The Academic Decathlon is an annual competition among schools that is usually held in mid-November. Each school sends a team composed of juniors and seniors, two regulars and two alternates in each of three GPA ranges: 3.75 to 4.0, 3.0 to 3.74, and 0 to 2.99. Each participant takes six written tests, gives both a prepared and an extemporaneous speech, and is given an interview. Only regular competitors participate in the Superquiz, an oral examination on current events held in front of a large, spirited audience. This is the second year that LHHS, under the guidance of Advisor Ms. Dahlberg, has participated in this exciting event, and the team did very well.

Technical Crew

Composed of skilled students who generously devoted their time to prepare for school events, the Technical Crew was an important part of all extra-curricular activities. They set up and operated lighting and sound equipment for plays, dance shows, assemblies, pep rallies, and Scotscapades. We thank these fine persons for all of the effort they put forth.

Unified Students

A community-oriented group, Unified Students concentrates on serving the school and its neighborhood. Despite being hampered this year by both lack of student involvement and a shortage of funds, US managed to accomplish several of its goals. Members promoted the Neighborhood Watch, and organized Saturday work groups. US also sponsored a well-attended student-teacher forum at which school issues were discussed. It was a rebuilding year for Unified Students, and the club has laid the foundation for future growth.

The primary function of the Journalism class is to create LHHS' long-running monthly newspaper, the Scotch Tape. Editor-in-Chief Jeff Inlay, aided by Assistant Editor Tim Schwarz, oversaw its production under the experienced eye of Advisor Mary Dodd. This year's staff worked very much as a team, and the atmosphere of camaraderie contributed to the paper's success. The staff also attended a Media Day at Santa Ana College on March 20th. The achievements of this year have greatly added to the tradition of journalistic excellence at La Habra.

They do a great deal of fundraising, especially candy sales, to enable them to take field trips to places such as Lazerium and Magic Mountain. This year, Club Advisor Mrs. Gloria Takahashi also produced some interesting guest speakers, including an engineer from the University of California, Irvine.

The Science Club puts as much emphasis on fun as it does on physics. Many members simply enjoy meeting people with interests similar to theirs. This stimulating blend of recreation and science has made the Science Club one of the biggest clubs at LHHS.

"Good Morning . . ."

Every morning at about 8:45, La Habra students were greeted by five cheery voices on even the gloomiest day. "Good morning! And these are your morning announcements for Monday..."

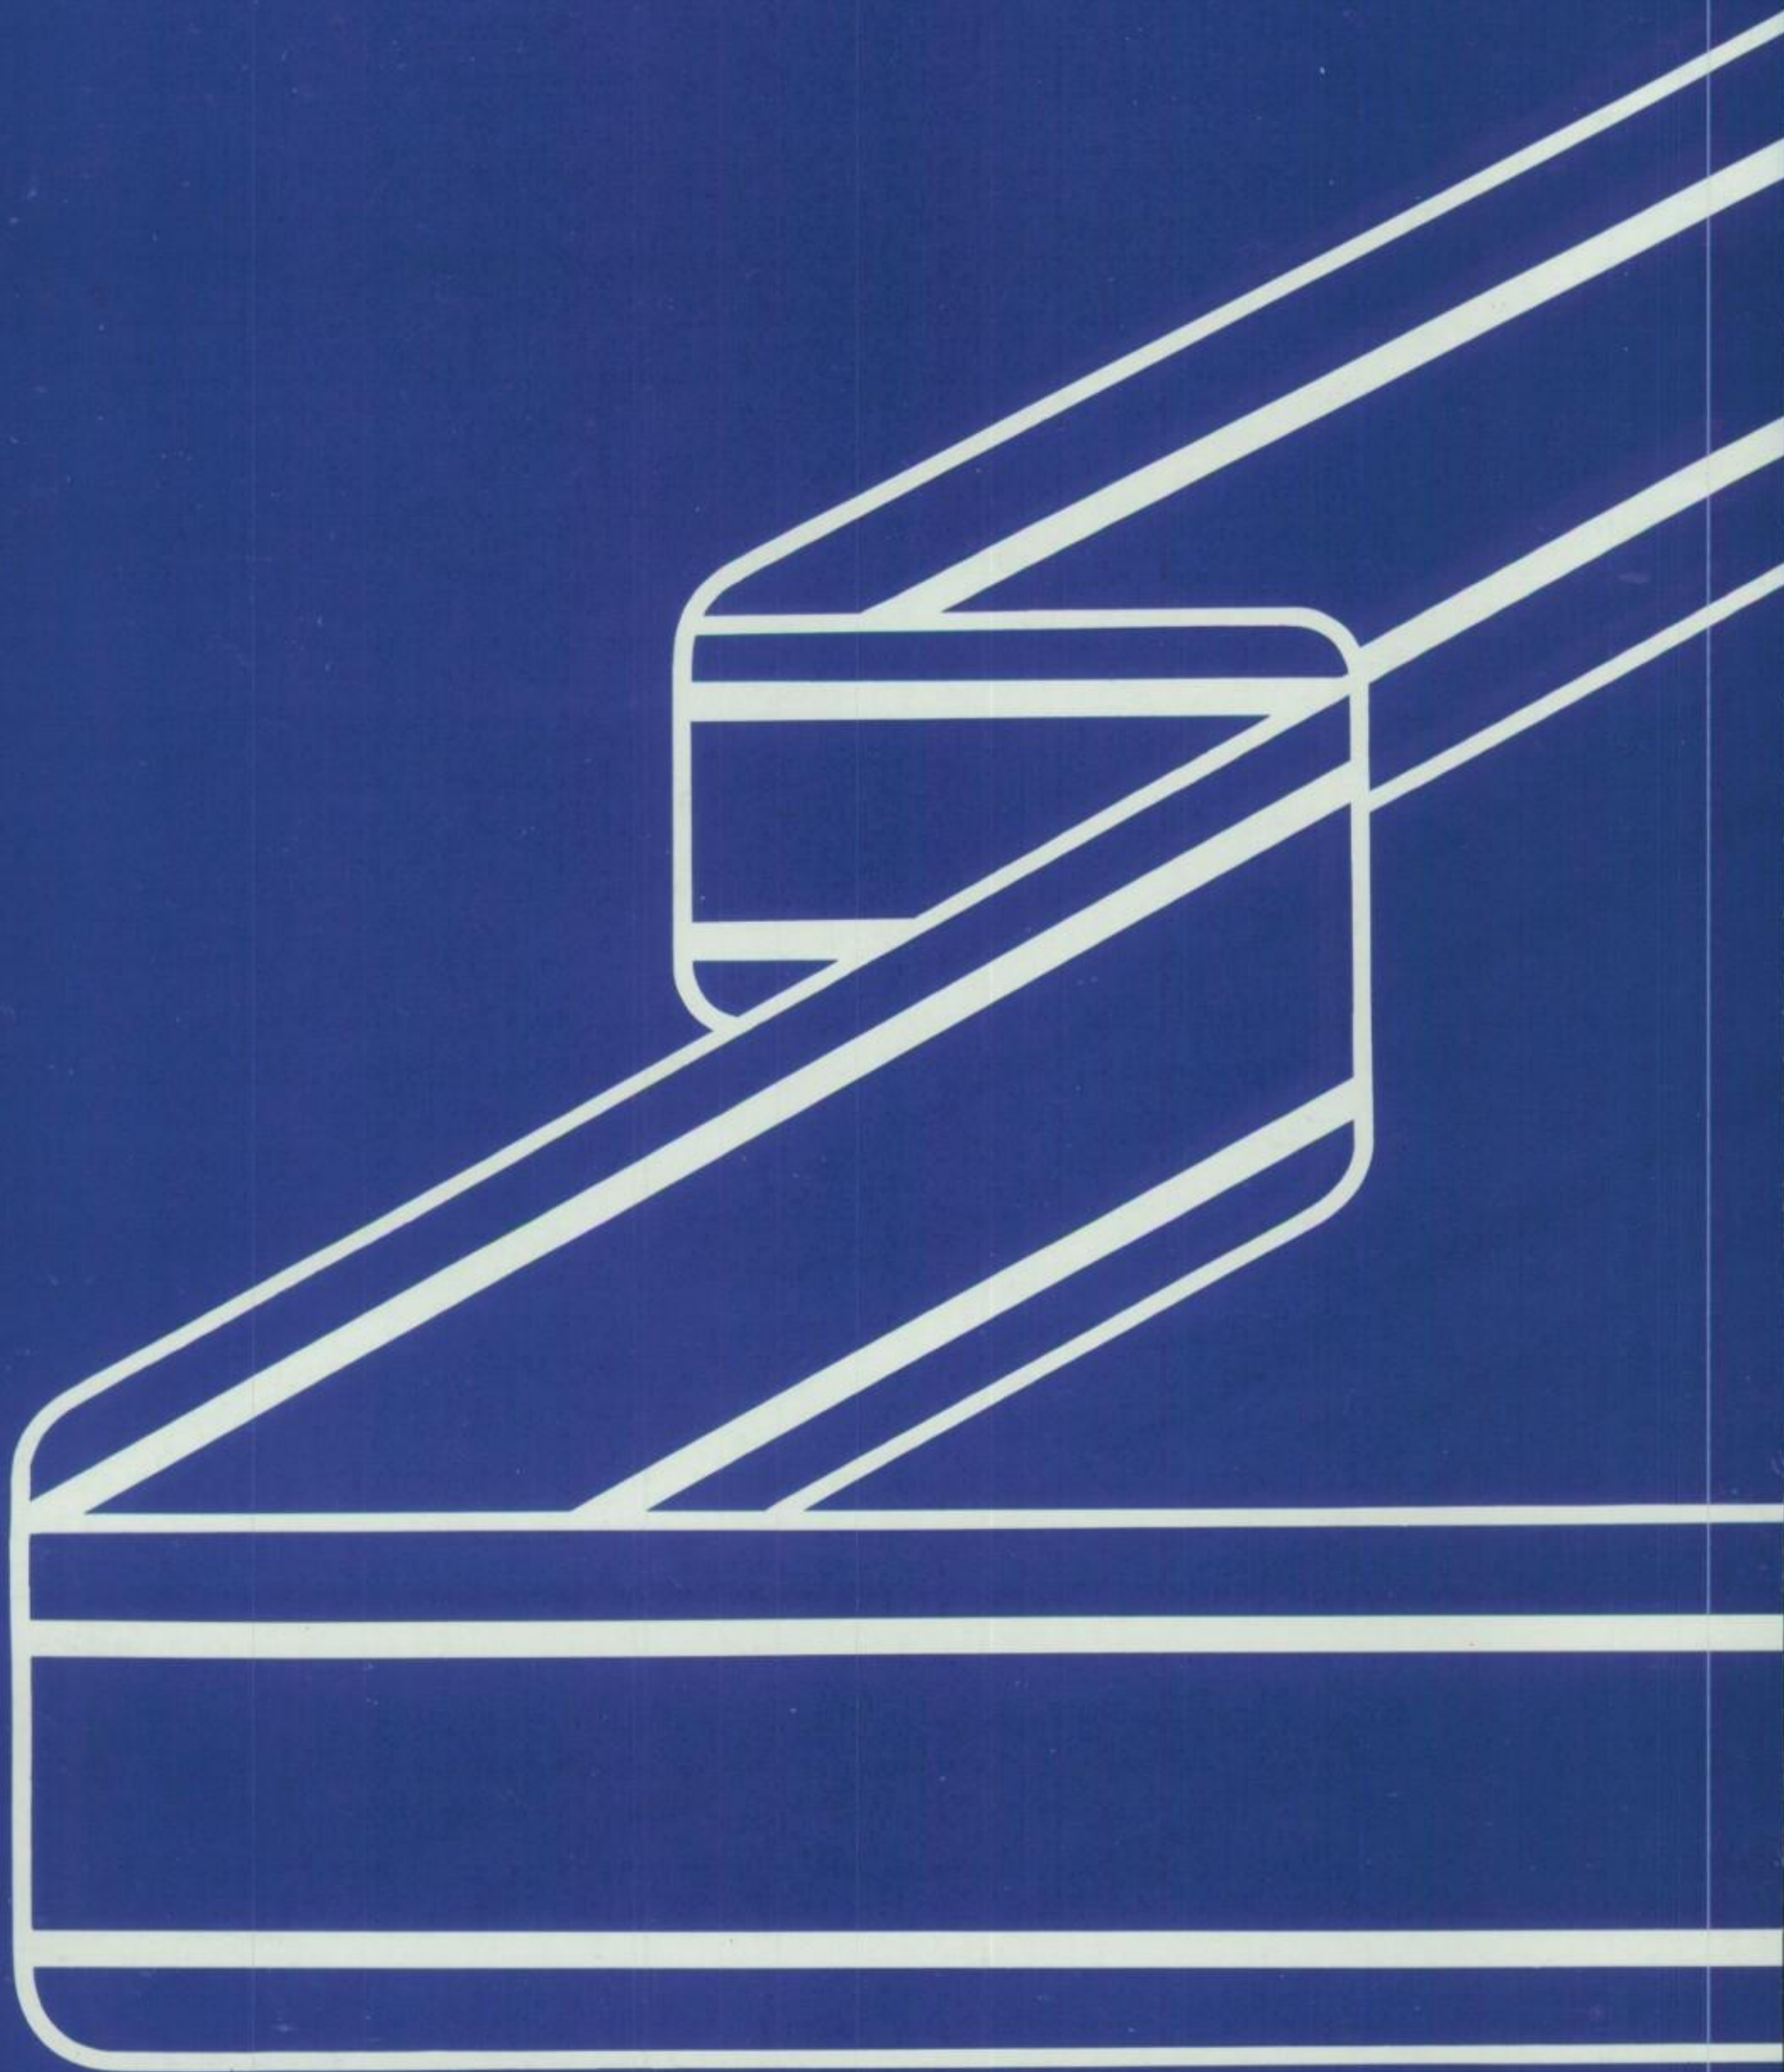

In such a manner were we told about assemblies, game times and scores, various clubs, and other matters of interest to the student body. We were even treated to patriotic observances and pertinent historical facts. This was nothing new, but the 1983-1984 announcement crew was a cut above many preceding morning teams. They strove to make the announcements entertaining occasionally, and not merely informative. All five of them should be complimented on a job well done, and thanked for making our lives just a little bit brighter.

This season the varsity football team had a very successful year going undefeated in league and reaching the finals at Anaheim Stadium. The team worked hard all summer and started the season on a very positive note, defeating Warren in their opener. The Clan continued their success by defeating Cal-High and Saddleback High School. The Highlanders lost their next two games, but their main objective was to prepare for league play and sure enough they came through. The Clansmen's first opponent was Fullerton. The game was close, but the Highlander's goal line stand, with the ball on the half-yard line on first down, proved the turning point of the game. As the season progressed the team defeated Troy and Sonora, and Sunny Hills on a last minute touch down pass from Will Segovia to Scott Henderson. The final league game ended with the same results, the Clan defeating Buena Park by a mere two points. This was typical for the Highlanders for they only averaged a four point advantage over their opponents, however, they overcame all adversity and found a way to win. Players that were recognized for their league play were: First Team All League Robert Berg, Jeff Smeedyk, Shannon Halbritter, Craig Lashley, Curtis McCann, Dan Owens, and Anthony Weatherspoon. Other players receiving recognition were: Kurt Goodson, Stuart Guthrie, Jon Haines, Dave Hancock, Scott Henderson, Anthony Padilla, Dan Paolinette, Manuel Saiz, Will Segovia, and Chuck Weatherspoon.

Entering C.I.F. playoffs the Clan had a key advantage over last years team, as they had gained valuable experience in post season action. The Highlanders opened against Irvine, defeating them 20-18. The following week La Mirada, with an outstanding record of 11-0, was a big challenge for the Clan. La Mirada was seeking revenge from last year's defeat, but the Highlanders arose to the occasion, and defeated them 13-10. As the playoffs progressed, the coaching staff prepared the team, stressing the point that each game was a championship. Brea was the next opponent. The Clansmen came out fighting and gained an early 21-0 advantage. In the second half, Brea made a run, but La Habra proved to be too powerful, and won 28-12. History had been made. This was the first time that the Highlanders ever reached the finals in football. The team lost the final game, but went out like true champions, and will always be remembered for their outstanding accomplishments.

The 1983 Sophomore football team experienced an outstanding season. They ended up being League Champions with a 5-0 league record and a 8-2 overall record. This group of players were very talented and have a positive future ahead of them. The teams biggest key in being so successful was their working together as one and willingness to give a 100%. The Sophomore players should be very proud of their winning season and look forward to a bright season on the varsity level next year.

The 1983 season was a very successful one for the Freshmen football team. Led by quarterback John Robertson and running back Mike Muci, the Highlanders put many points on the scoreboard. On the defensive side Mike Segovia led the Clan with his hard hitting and aggressive play. The team ended up tied for first place with Sunny Hills and showed a lot of promise for future La Habra football teams. All the hard work and determination paid off in the super season that the Freshmen had. Congratulations!

For the past three years, La Habra's volleyball team has set the standard to beat in the Freeway League. Under the tutelage of Coach Sandy Blumenthal, not only has La Habra been undefeated League Champs, but the league's Most Valuable Player has come from La Habra in those years. The quick, aggressive style that is the Highlanders has kept them a dominating force in league and CIF play.

This year's season was no exception. Despite the loss of eight seniors from the squad, La Habra continued its dominance, sweeping the league with a record of 10-0 and making it to CIF semifinals. The key to the Highlanders' winning ways seemed to be a tough defense game complimented by a fine bump, set, and hit attack. La Habra's attack was again led by senior star Paula Tezak. Her powerful hitting style, backed by always-consistent defense was a great factor in the overall success of the team and earned her All-CIF honors. Of the twelve All-League spots available in league, La Habra received five, plus two Honorable Mentions. Players who received this honor were team captain and middle blocker Paula Tezak, passer and hitter Lee Muci, setter Patti Ostergren, setter and hitter Susan Hooper, and middle blocker Stephanie Brennan. Honorable Mentions were received by Gretchen Geiger and Debbie Knight. Other stalwart performers were Tammy Springer with her excellent serving, and Annette Brennan's great blocking skills.

After winning league, La Habra went into CIF with hopes of repeating as CIF finalists. After winning the 1st and 2nd rounds with relative ease, the team found themselves against a formidable opponent in Thousand Oaks, during quarterfinals, but with some tough defense, they again prevailed. In the semifinals against Bishop Diego, La Habra had ample opportunity to win, going to game point in two of the three games. But Bishop bounced back to defeat the Highlanders, thus ending the chance to win CIF.

Commenting on the season, Coach Blumenthal said, "It was the kind of season you never want to end, because there were so many great games and terrific girls. That's the hard part about ending a season, but the fun part is the challenge of working with a whole different team, year after year."

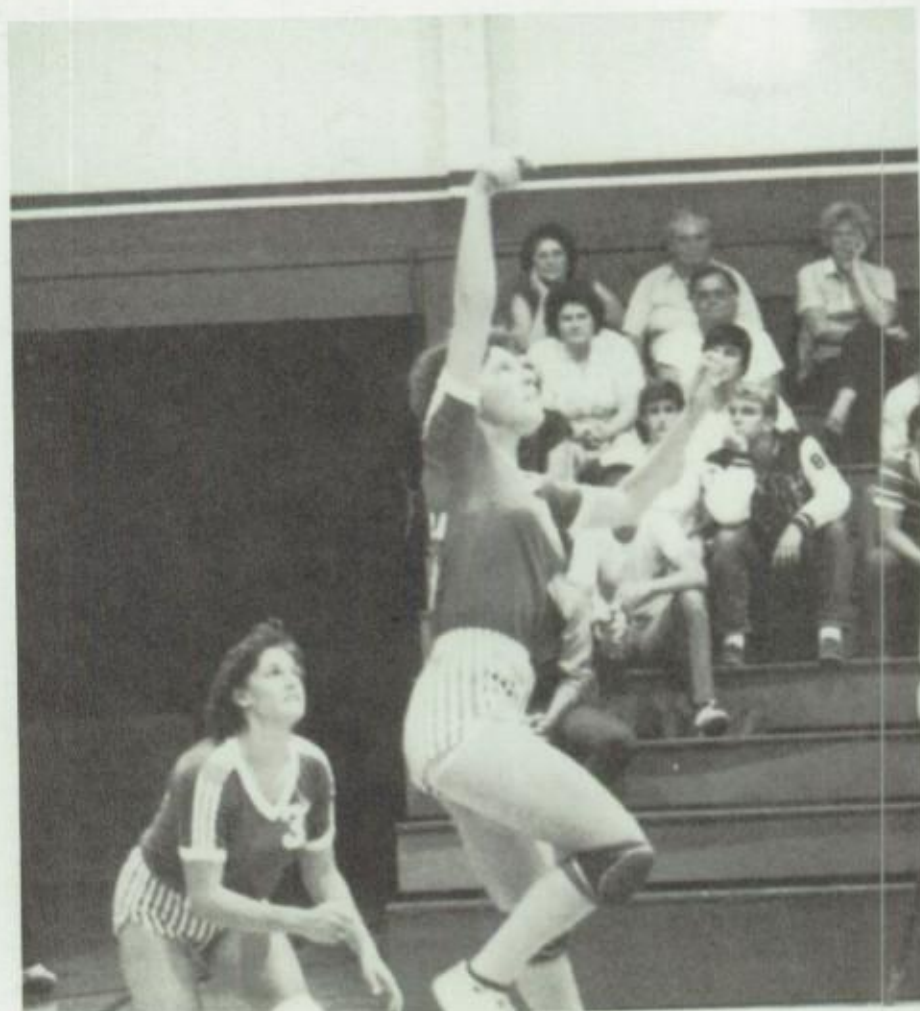

Tammy Springer displays her excellent serving.

The team relaxes after a tough victory.

This year's J.V. team continued the winning standard familiar to La Habra Volleyball. After experiencing a pre-season record of 3-3, the team went through the regular season undefeated, which gave them the championship once again. There weren't many returning players; in fact, there were no juniors. But the girls who made up the young team learned quickly, while returning players such as Deanna Stafford, Michie DeBree, and Patty Calabretta provided guidance and leadership for the younger players. Coach Terri Wallis did a tremendous job in molding her team into poised players. The change that the team went through can be especially noted in the difference of performances in the two tournaments the team competed in this year.

At the awards banquet this year, awards were given to Mich DeBree as the Most Outstanding Player, Deanna Stafford as the Most Valuable Player.

La Habra High School's Junior Varsity Cross Country team had a fantastic year! This year's team worked hard and were enthusiastically involved in their running. In most of La Habra's meets, the other schools had, at times, twice as many runners, making it very difficult for La Habra to finish first in League. La Habra's Junior Varsity was led by Sam Williams who broke La Habra's previous Cross Country record. The team was also led by Greg Esparza. La Habra's coach, Mr. Winkleman, was the main factor in achieving this ultimate goal. Coach Winkleman shaped this team into what was the Leagues best team. This was accomplished by tough workouts and also by each member helping the others personally. Good luck to La Habra's upcoming Varsity team.

Cross country is a very strenuous sport that takes a lot of time and dedication. Endurance and motivation are key elements in becoming a successful runner. As exhibited by the Varsity Cross Country team, all the team members had much endurance and were extremely motivated, resulting in a rewarding season. They had six returning runners who inspired the team through every meet. Unfortunately during mid season, their 1982 Freeway League Champ, Debbie Kirylo injured her leg and was unable to continue. Other runners such as Sonya Uehara and Ann Marie Padilla had an outstanding year. All in all the team had a pretty successful season.

The 1983 Clan Water Polo teams made a tremendous showing and was blessed with many talented and enthusiastic individuals. Two of these gifted athletes, seniors Steve Wyllie and John Huntington, provided the power behind the La Habra comeback and helped to keep the team's head above water. Because of their efforts, they were selected to the first and second all-league teams and participated in competitive post-season play.

The major factor behind the team's turn-around season was the exceptional leadership of Clan coach, Ron Davis. Davis put a lot of time and effort into the '83 team, not only during the fall but also during much of summer break and the practice really paid off. Not only did the team do well, but Davis was nominated "Coach of the Year" by his colleagues. Coach Davis commented that he is really looking forward to a prosperous season next fall.

Congratulations to all the members of the Varsity Water Polo program. You have proved that the Clan can!!!

La Habra's Jr. Varsity and Frosh-Soph Water Polo teams had a productive year. The teams showed great potential for next year. Coach Ron Davis helped build experience and boost confidence of those players new to the game of water polo. The teams veteran players helped the J.V. develop the skills they would need to become successful poloists on La Habra's future teams. The Clan's J.V. team had some rough times, but they can hold their heads high and be proud of their accomplishments.

Tennis, often called the "gentleman's sport", rarely receives the recognition it deserves. To watch a match or a practice, and to see the determination and dedication of the players, is an encounter which deserves to be recognized. This year's Varsity Tennis team exhibited these qualities and much more. With a very respectable record of 7-3, the Highlanders finished league play with a third place showing, and earned the respect of many good players and teams. With a combination of tough practices and the will to win, La Habra prevailed over many a formidable opponent. Coach Wright was very pleased with the season, and top players such as Rosemary Zofrea, Terri Arnold, and Michele Melendres added to the satisfaction the year provided. La Habra fans are urged to come out and support our Tennis team next year, because we can guarantee another successful year!

An Unforgettable Season

A black and white photograph of Coach Tex Wallis, a man with dark hair, wearing a dark sweater over a light-colored collared shirt and light-colored trousers. He is sitting in a crowd, looking off to the side with a thoughtful expression, his hand near his chin. The background is filled with other people, mostly men, some looking towards the camera and others looking away. The lighting is somewhat dim, suggesting an indoor or evening setting.

*The end of an era,
but not the legend.*

Coach Tex Wallis

La Habra Has Memorable Season

The end of an era, but not the legend. This says it all. Tex Wallis, La Habra High School basketball coach of twenty-six years, has decided to move on and explore new horizons.

Wallis, who grew up in Texas, started his coaching career in New Mexico, where in seven years, he posted a 120-40 win-loss record. Then, in 1958, with his neatly trimmed flat top haircut, he walked onto the La Habra campus.

In his twenty-six years at La Habra, he has posted a 451-226 record, won the league championship ten times, and has been runner up seven times. Under his direction, there have been fifty-three boys named All-League and thirteen who went on to be named All-CIF. Tex has also been very successful in post season play. His teams have been in the CIF Playoffs nineteen times, four times in the quarter-finals, and three times in the semi-finals.

Summing these records all up, his career total win-loss record is 633-285, which is winning about seventy percent of the time.

The records that have been established are great and Tex will always be a basketball legend, but of most importance to those who know him, is the fact that he will always be remembered as a very SPECIAL FRIEND.

Thank you Tex!

This year's Varsity Basketball team was a squad full of surprises. With four of the five starters graduating, the Clan was expected to have a so called "rebuilding season." If someone looked at the Highlander's pre-season record, they would have probably agreed. But La Habra kept improving, and gained valuable experience. By the end of pre-season play, they were ready for league to begin. Starting for Coach Wallis were leading assist man Jose Delgadillo and leading ball stealer, Henry Esparza. Down low were, Walt Maxwell, Wes Maxwell and leading scorer Randy Jackson. Heading the bench were Bob Drake, Scott Henderson and Eric Zaluske. The Highlanders ended up with a 7-3 win-loss record, and were runner ups in the Freeway League. Named to the All League team was Senior Randy Jackson, while Seniors Wes Maxwell, Walt Maxwell and Junior Henry Esparza were All-League Honorable mentions.

Entering into CIF Playoffs, the Clansmen faced a tough Brea Olinda team, who had finished first place in their league. Brea was favored to walk away with the game; however, the Highlanders knew if they played smart basketball, and gave all they had, that they would be in the game. The Clan shocked everyone, including themselves and blew out the powerful Brea team. In the second round playoff game, La Habra faced Nordhoff and won this very aggressive team in the final seconds. The Highlanders lost in the Quarter Finals to Workman High School, who went on to be the 2-A C.I.F. champions, but played hard and fought to the very end. This surprising season was a great way to end a magnificent career of Coach Tex Wallis.

The JV Basketball team, under the direction of Coach C.J. Sciacca, proved that size is not everything. With the tallest player at about six foot, the Highlanders depended mostly on quickness and speed. Juniors Derek Stevens, and Don Hamano led the stealing and fast breaking for the Clan, while Richard Atkins and Jeff Greathouse controlled the boards. The players on the team were very competitive and when on the court, gave their best effort. Future Highlander basketball will truly benefit from these upcoming players.

With the combination of hustle and determination this group of young athletes will surely contribute to future LHHS basketball.

For Girls Varsity Basketball, the 1983-84 season promised to be a winning one. All but two players were returning Varsity lettermen, and among last year's starters, three would return to start again. Sparked by speed, shooting ability, and tough defense, the Lady Highlanders were a team to be reckoned with. Leading the way for the team was Senior guard Paula Tezak. As in the past two years, Paula averaged over 25 points and 11 rebounds per game. But this year an added dimension was the emergence of her passing ability. With such players as Stephanie and Annette Brennan and Rochell Seabrook to score the easy basket, Paula found seemingly non-existent holes in the opposition's defense to pass through. So to already impressive stats, which also included 12-steals per game, she added an 11 assists per game average. Her progress on the court led her to becoming Freeway League MVP, as well as All-CIF and All-Orange County.

La Habra was also blessed with a number of other talented players. Junior Rochell Seabrook averaged 15 points and was voted All-League for the second year straight. She was also the team's leading offensive rebounder. Stephanie and Annette Brennan combined for 16 points and 12 rebounds per game, while point guards Debbie Knight and Deanna Stafford added 12 points and 10 assists to the team effort. The Highlanders also possessed something that few of their opponents did—depth on the bench. Senior guard Barbara Stout was an excellent passer, and another Senior, Tammy Springer, was a great outside shooter. Junior Kim Bowman and Freshman Adele Alvarez were outstanding rebounders, and Sophomores Tina Diaz and Kathy LeBoeuf showed shooting ability and court speed, respectively.

Coach John Koehler's strategy was this—use the natural speed of his players to play a pressing, aggressive defense, which in turn ignited a nearly unstoppable fast break. In their halfcourt game, La Habra took advantage of their height under the basket to get easy points, which was complimented by the excellent outside shooting of the guards. The Highlanders' style was definitely successful, as they compiled a pre-season record of 13-2, including a 68-52 rout of last year's CIF Champions, Artesia. In league play, La Habra marched methodically over their opposition, posting their 10-0 record and Freeway League Championship. Along the way they managed to set a single game scoring record as well as a record for most points scored in a game (48 by Paula Tezak) in a 100-37 win over Buena Park.

Highlanders Play To Win

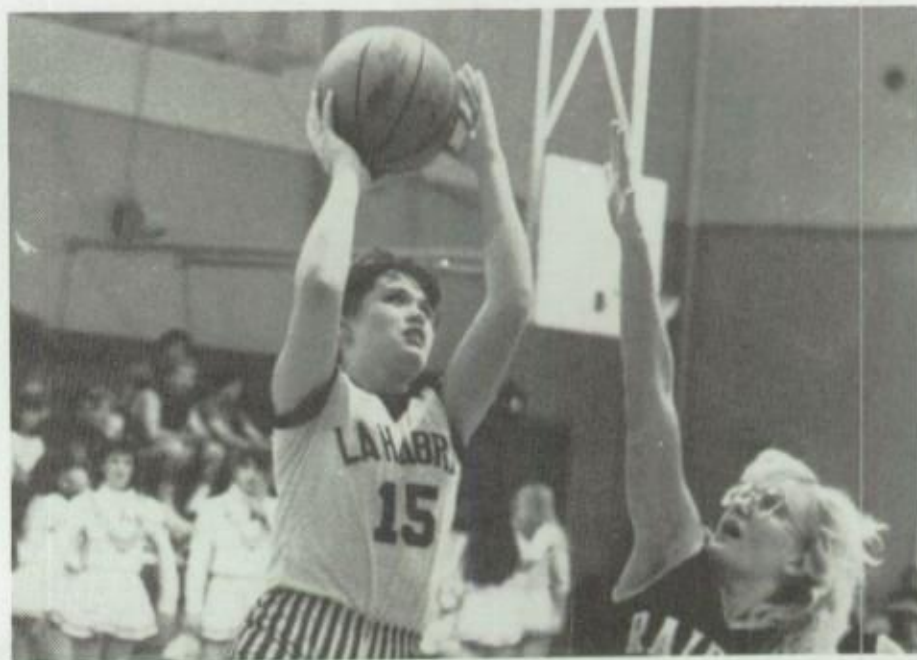

Rochell Seabrook cruises in for two.

La Habra went into CIF with high hopes, a 23-2 overall record, and a sixth place ranking in CIF. However, the Lady Highlanders faced some adversities which they expected might be difficult to overcome. The Freeway League was somewhat lacking in competition tough enough to prepare them for CIF, and to reach the Finals, they would have to face some of the best teams in the 2A division. On top of this, Stephanie Brennan, a starter, was injured and would be unavailable indefinitely. Freshman Adele Alvarez was pressed into a starting position, where she performed admirably in a relatively easy victory against San Marino. Now the Highlanders found themselves up against Ganesha, a team with excellent speed, height, and rebounding ability. After falling behind early 12-2, La Habra rallied to within two points in the final 20 seconds of the game. But a free throw with 3 seconds remaining sealed the game in Ganesha's favor.

So once again, as in the last two years, the Highlanders found themselves on the wrong side of a close CIF game that could have gone either way. Hopefully, next year a game such as this can go La Habra's way, for even with the loss of Tezak and Stephanie Brennan, the Girl's Varsity will excell once again.

A pass from Adele Alvarez.

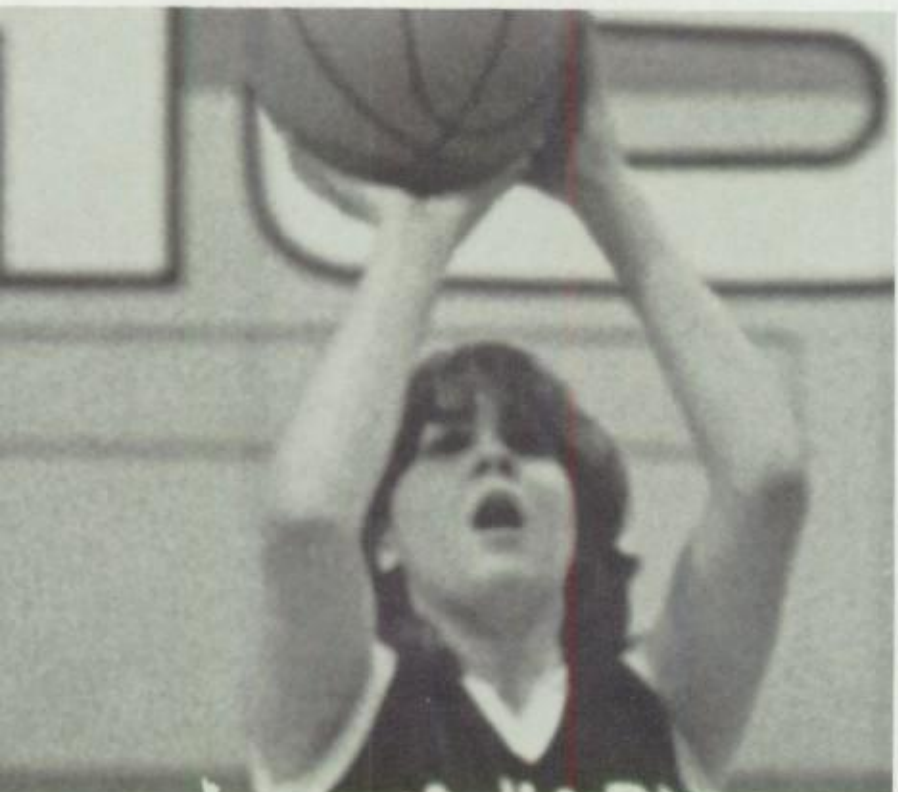

Annette Brennan (above) and Debbie Knight lay it up with ease.

Stephanie Brennan grabs a rebound.

Deanna Stafford brings the ball upcourt.

A free throw by Tammy Springer.

Paula Tezak soars way above the rest of the field.

If there is any one person who has left a definite effect on the Girl's Sports program at La Habra, it is Paula Tezak. Her outstanding accomplishments in almost all facets of sports in her four years, especially basketball, have forever improved the credibility of our program and encouraged fans to come out and support our Girls' teams. In her four years at La Habra, Paula has been a part of four volleyball, three basketball, and one softball League Championship. Her tremendous talent has contributed greatly to these successes, and her efforts have not gone unnoticed. Among the honors that have been bestowed upon her are four straight All-League selections in basketball, and three in volleyball. She has been League MVP for three years in basketball as well as two in Volleyball, not to mention All-Orange County and All-CIF. Paula has been an example for many young players who are dedicated to athletics, and who wish to set a goal for themselves. The next of her goals after high school is to continue her basketball career on a college scholarship, were she will surely be an asset to any team. Paula Tezak is the most gifted female athlete to ever come out of La Habra, and her accomplishments will be remembered by many for years to come.

J.V. Basketball Comes Through

Brigette Austin takes a short jump shot.

J.V. Basketball began their new season with a new coach, Luke McDannel. Although it took some time adjusting, the team became united under the tutelage of their coach, and they worked towards improvement throughout the whole season. One of the advantages that La Habra enjoyed over other J.V. teams was their height. They had three six-foot players, all in their first year, who shared the center position. Not many teams could count on three players who could do an excellent job rebounding and scoring, but La Habra was fortunate to have Amy Maxwell, Chris Eastman, and Julie Schwartz who all used their height to its greatest advantage. There was very accurate shooting by Lisa Lorimor and Rozlin Seabrook. The leading scorer was Brigette Austin, whose tremendous quickness allowed to steal passes almost at will, which she converted into easy fastbreak baskets. Because of their outstanding play, the Highlanders has an 8-2 record in League, which put them in second place behind Fullerton. This team deserves congratulations for working well with a new coach and having such a successful season.

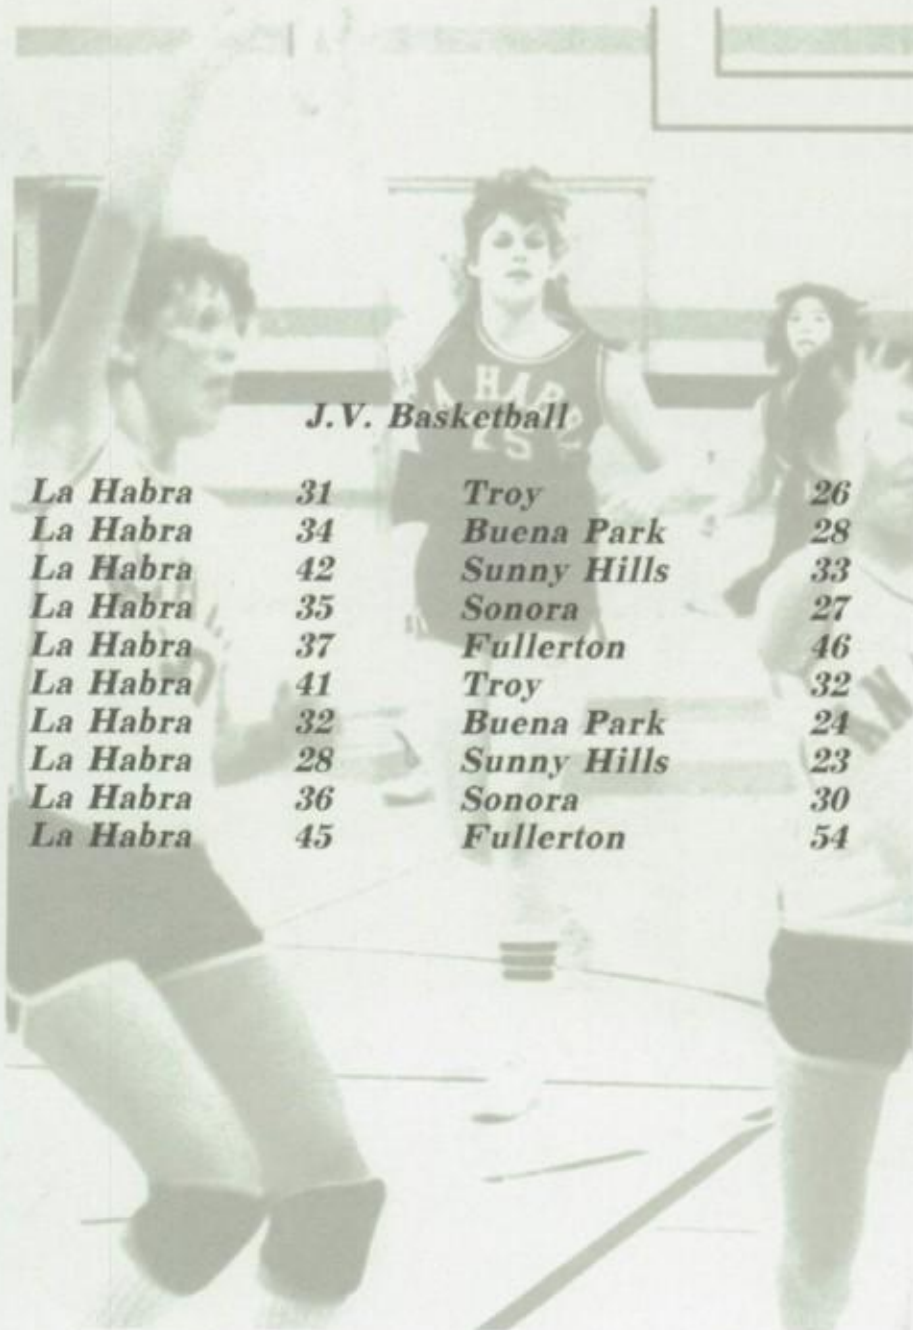

Lisa Lorimor dribbles swiftly downcourt.

The year was full of excitement and suspense. Some matches keep the crowds at the edge of their seats. The superb coaching, lead by head coach Kirk Matsushige, seeded several C.I.F. qualifiers. In league, Paul Iwane and Mark Nunez prevailed as champions. For Paul this league championship makes it his third. Paul also made this year, fourth in a row of being undefeated in league. This year he placed third in the 2A division during C.I.F. He was also picked to compete on the first team of all-Orange County. Other dominate wrestlers of La Habra were Dave Bautista (101), Keith James (115), Greg Magdaleno (141), and heavy weight Anthony Weatherspoon (245) whom placed second in league. The league's third places were achieved by Rob Jonietz (129), Jerry Mestas (135), and Dave Lux (167).

Dedication is the word that would best describe a La Habra High School wrestler. The Clan team works throughout the week on the essential moves that could make or break a match in real competition. Signs of fatigue, as shown on all devoted athletes, can be seen on the tired faces of our Clan wrestlers. Always striving for greater quickness and strength was a priority of this unit. Agility along with fast reaction are extremely important in a case of being caught blindsided by the opposition. A supreme factor in this vigorous sport is conditioning. If a wrestler has a low point score but is a well-conditioned athlete, he will prevail over a weary opponent towards the end of the match. A week's workout will boil down to three two-minute periods. Did the exhausting practices pay off? They certainly did for the La Habra JV team. The JV's performed outstandingly during league competition.

At La Habra, the soccer program is relatively new, having just completed its third year in league. To develop a good, consistent program in any sport takes time; and for this reason, the result of the girls and boys teams has been somewhat disappointing. Although this years girls varsity possessed immeasurable talent, the newness of the program, plus a certain degree of inexperience in playing together, resulted in a record of 4-13 overall, and 3-10 in league. Although their record didn't reflect it, this was a team blessed with speed, strength, and determination. Throughout the season, the girls never got discouraged, and always played their hardest, for themselves as well as each other. There were many stand-out performers on the team and it was their showing this season that makes recognizable the future league and CIF strength La Habra will be. Michie DeBree, an an All-League Honorable Mention, was the team's leading scorer. She scored 16 goals during the season, averaging just about a goal a game. In a brilliang 11-2 win over Brea in which the whole team played outstanding, Michie set a new league record with an amazing 5 goals! Other excellent players include All-League Juniors Lee Muci, Gretchen Geiger, Senior Becky McCracken, and Freshman Robyn Reich. Coach Herb Reich devoted numerous hours to this talented group, and his effort, plus the efforts of the team will definately pay off in the near future.

The 1983-1984 girls Junior Varsity Soccer team was very enthusiastic this year. Their season went better than expected thanks to the support they received from their coach, Jane Williams. There were many young players eager to learn the sport. The Junior Varsity was very impressive in both defensive and offensive play. They had trouble with ties and ended up with quite a few of them during the season but this never deterred their eagerness and enthusiasm for the game. The Highlanders remained optimistic throughout all of their games and the valuable experience that they received will be a definite advantage for them in the future. With the abilities, and the dedication of these fine athletes, next years soccer team should be outstanding.

Varsity Soccer had a learning season this year. Even though the team had to adapt to many new changes from new players, to even a new coach. This years coach was Richard Alagapo. Richard reshaped and was comitted to turning La Habra's Varsity Soccer into a winning team. The season started with La Habra showing a dramatic change. La Habra went on to win their first five games but could not bring a Free-way League Crown to La Habra. La Habra's Varsity defense was led by Mike Karaba, Tom Dean, and Ted Meztez. La Habra's midfield was led by Jim Dean, a freshman, and Jeff Smeerdyk. The front-line was led by Vince Agrusa, and Danny Echevarro. There were many others who assisted the named players in achieving their recognition. Even though La Habra was not the best team in the League they never went down without a fight.

La Habra's Junior Varsity Soccer had a fine season this year. This years team had a learning season by learning different ways to out-witt their opponent. As their season progressed they showed how advanced their playing style was. The Junior Varsity also learned how to cope with a different environment. This environment was an European style of play. It was touch and go for these young players. La Habra's first rule was ti act and perform as a team. This proved to be the first and most important fundamental Coach Alagapo taught to this young team. La Habra was led by Mitch Diamond, Todd Bishop and also by Mark Grippi. These players were the key factors in what La Habra had accomplished this year.

La Habra's 1984 Varsity Baseball team had an unpredictable season. The jumping pattern of their win-lose record did not show any definite strengths or weaknesses to any particular opponent. The Clan showed a great sense of recovery by playing flawless baseball against an opposition whom had once defeated the team earlier in the season. Nevertheless, the Clan's victories never came without hard work. Coach Quesada took practices very seriously. Since games can't be won without runs, a major concern of his was hitting. Often Coach Quesada pitched batting practice himself to the whole team. Although hitting is only half the battle, a dependable defense had to be set up to secure the score when the runs were made. Many times throughout the season line-ups were rearranged and positions were exchanged to keep a winning game in our favor. Most of the time these alterations proved victorious.

The team will be losing a group of tremendous senior athletes but the team will not be short in number. The younger players of this year's team gain valuable playing experience this season which will become useful in the next years with the Clan's varsity team. The top-quality athletic abilities of this team will be proven in their future years of playing ball.

Some important characteristics of a good team might be unity, talent, spirit, and the ability to rise to the occasion. For Girl's Varsity Softball, which possesses all of these qualities and more, the ability to rise to the occasion might best exemplify the outcome of their season. With the season coming to a close, the Highlanders had a league record of 4-5 and were leaning towards a fourth place finish and no C.I.F. To finish their desired third and continue playing, they had to pull out a much-needed victory over a tough, but beatable, Buena Park team. If they didn't win, it would be the first time in five years that Coach O'Donnell and his girls didn't make it to C.I.F. But the Lady Highlanders definately showed their true colors, beating Buena Park by a score of 4-2 and finishing third, to once again ascend to the heights of C.I.F. competition. With this victory, La Habra was able to show why they are a known power in softball, because of their ability to "rise to the occasion".

Coach O'Donnell and Assistant Coach Norm Perez worked their girls extremely hard this year to prepare them for the many excellent teams they had to face, in preseason as well as in league. They were fortunate to have on their team a lot of experienced, excellent players, as well as some young talent that benefitted greatly from the Varsity level experience, and who will eventually be the basis on which to build strong teams in the future. A softball teams pitcher is an important part of its defense, and Juniors Annette Gonzalez and Terri Arnold provided a starting point from which to build an efficient defense. Both of these pitchers performed their duty with cool confidence, even under pressure situations. When one was pitching, either of the two could patrol the infield with the likes of Junior Patti Ostergren, who provided leadership for the team, Sophomore Michie DeBree, and Senior Becky McCracken who definately held her own as the starting catcher. On offense, the strength of Oster and DeBree, consistent hitting by Sharee Medeiros and the fleet-footed Patty Calabretta, provided for an always-potent scoring threat. So with this combination of talent La Habra's Girls Softball Team should have more success in C.I.F.

La Habra's J.V. Softball team went through some changes this year, including a new coach, Cubby Sands, and a number of new, untried players. But fortunately, everyone was able to overcome difficulties and wound up with a very successful 6-4 record and a tie for third in the very tough Freeway League. In the second half of the season they won four straight games and, given more time, they could've finished even higher than third. The team was, by the end of the season, a very united tough-to-beat group who always supported each other.

Top players on the team included slugger Laura Gallaway, catcher Mary McCracken, and fielder Susie Tanahill. Karen Jain was the team's ace pitcher and she succeeded in making things very easy for her team's defense. Fortunately, whenever an opposing player was lucky enough to get a hit, the J.V.'s defense was right there to keep things from getting out of hand. Congratulations on a super season!

With a good positive attitude the team worked hard and enjoyed playing together and turned in another successful showing for La Habra tennis.

With a record of five and five, the Junior Varsity Tennis team had an impressive season. Headed by coach Gary Wright the team worked together with a lot of spirit and ambition. The players endured plenty of pain and hard work which brought the team to its peak performance. Giving it their all, helped to strengthen the teams overall play and placed the Highlanders in a positive position in the Freeway League. With many of these players moving up into the varsity position, next years' team looks very promising.

Co-Ed Badminton's season was one of learning and acquiring much-needed experience for the benefit of next year's team. Although their overall record of 2-8 (2-6 in league) wasn't a successful showing for them, there were a number of excellent players who did very well during the season. One of the best things about the way badminton is structured is that although a team might not have a great season, individuals may become very successful. One of the most successful players from La Habra's team was senior Julie Baumbusch. A clever, hustling player, Julie was the number one girls player on Varsity and ranked number four in the Freeway League. Unfortunately, Julie was unable to compete in the League Championships due to illness. Other talented team members were junior Susan Hooper, senior David Palacios, senior Kirsten Hoeckman, and first year players Brian Munson and Steve Grutbo, both seniors. On the Junior Varsity level, sophomore Jeff Greathouse and freshman Lisa Knight made tremendous strides in improvement and also had a successful year. Coach Sandy Blumenthal said she was happy with the season because of the variety of fun, interesting people who made up her team. She also mentioned the fact that the Freeway League is one of the strongest in C.I.F. and possessed some very experienced teams. Our young La Habra team can be proud of their showing in a very competitive league.

Which is a very good record. This years J.V. team is a very talented group of girls. If all of these girls keep swimming, in time they will make fantastic varsity swimmer's. Swimming takes a lot of time and hard practicing if you want to be the best you can. We hope to see all of these girls out next year. La Habra's Junior Varsity Track was a very young team. This Junior Varsity Team was a put together team. This meant the athletes would try different events in order to find out which events they were best suited to participate in. Even though they were young, they proved to be one of the best teams in the Junior Varsity level. These runners were to learn the basics ranging from long jumping to starting out of starting blocks. These basics were taught by Coaches Ralph Winkleman and Duke Reynolds. Good luck in the future La Habra.

La Habra's Girls Track Team continued their dominance this year, posting an undefeated record of 9-0 and defeating a ten-team field for their third straight Brea Rotary Relay Championship. La Habra's success can be attributed to active participation by a large number of girls, and the team's strength in almost every event. Every team member was a factor in the outstanding season, but as with all sports teams, La Habra produced a few standouts who will most likely try and continue their dominance in C.I.F.

Senior **Stephanie Brennan** was a winning performer all season, and she and sister **Annette** dominated the 200m and 400m, continually switching off victories in both. Junior **Debbie Knight** had control of the long and triple jumps, setting league records in both at 18'1¼" and 36'8", respectively. She was undefeated in both, as was sprinter **Deanna Stafford**, who added crucial points to the team score by winning the 100m each week. Sophomore **Brigette Austin** and Junior **Lee Muci** took care of winning the hurdling events, and another Sophomore, **Tina Diaz**, broke her own school record in the discus at 102 feet. Junior **Debbie Kirylo** and Sophomore **Kim O'Dowd** were both highly productive in the 800m and the mile. **Becky Tarubi** and her cousin **Jovan Pinaga** were surprise performers in the shotput and discus, scoring important points that aided the team tremendously. Natives of Papua, New Guinea, **Becky** and **Jovan** were a special part of this year's team, bringing with them their culture and knowledge of their life abroad.

In the league championship meet, La Habra was victorious, scoring 148 points and finally winning the championship outright. Both the mile relay and the 400m relay teams were successful in setting new Freeway League records at 4:10 and 50.2, respectively. Coaches **Jim Sutton** and **Duke Reynolds** supervised tough workouts, and long and triple jumpers benefitted from Lowell alum **Gary Gross**, once a trackster under Coach Sutton. So with a variety of talents and numerous team members, La Habra had another sparkling season. We hope the enthusiasm for the sport will continue for many years to come.

Chris Speck watches her landing.

Annette Brennan gives her all at the tape.

The Records Are Broken

Debbie Kirylo leads her teammates to victory.

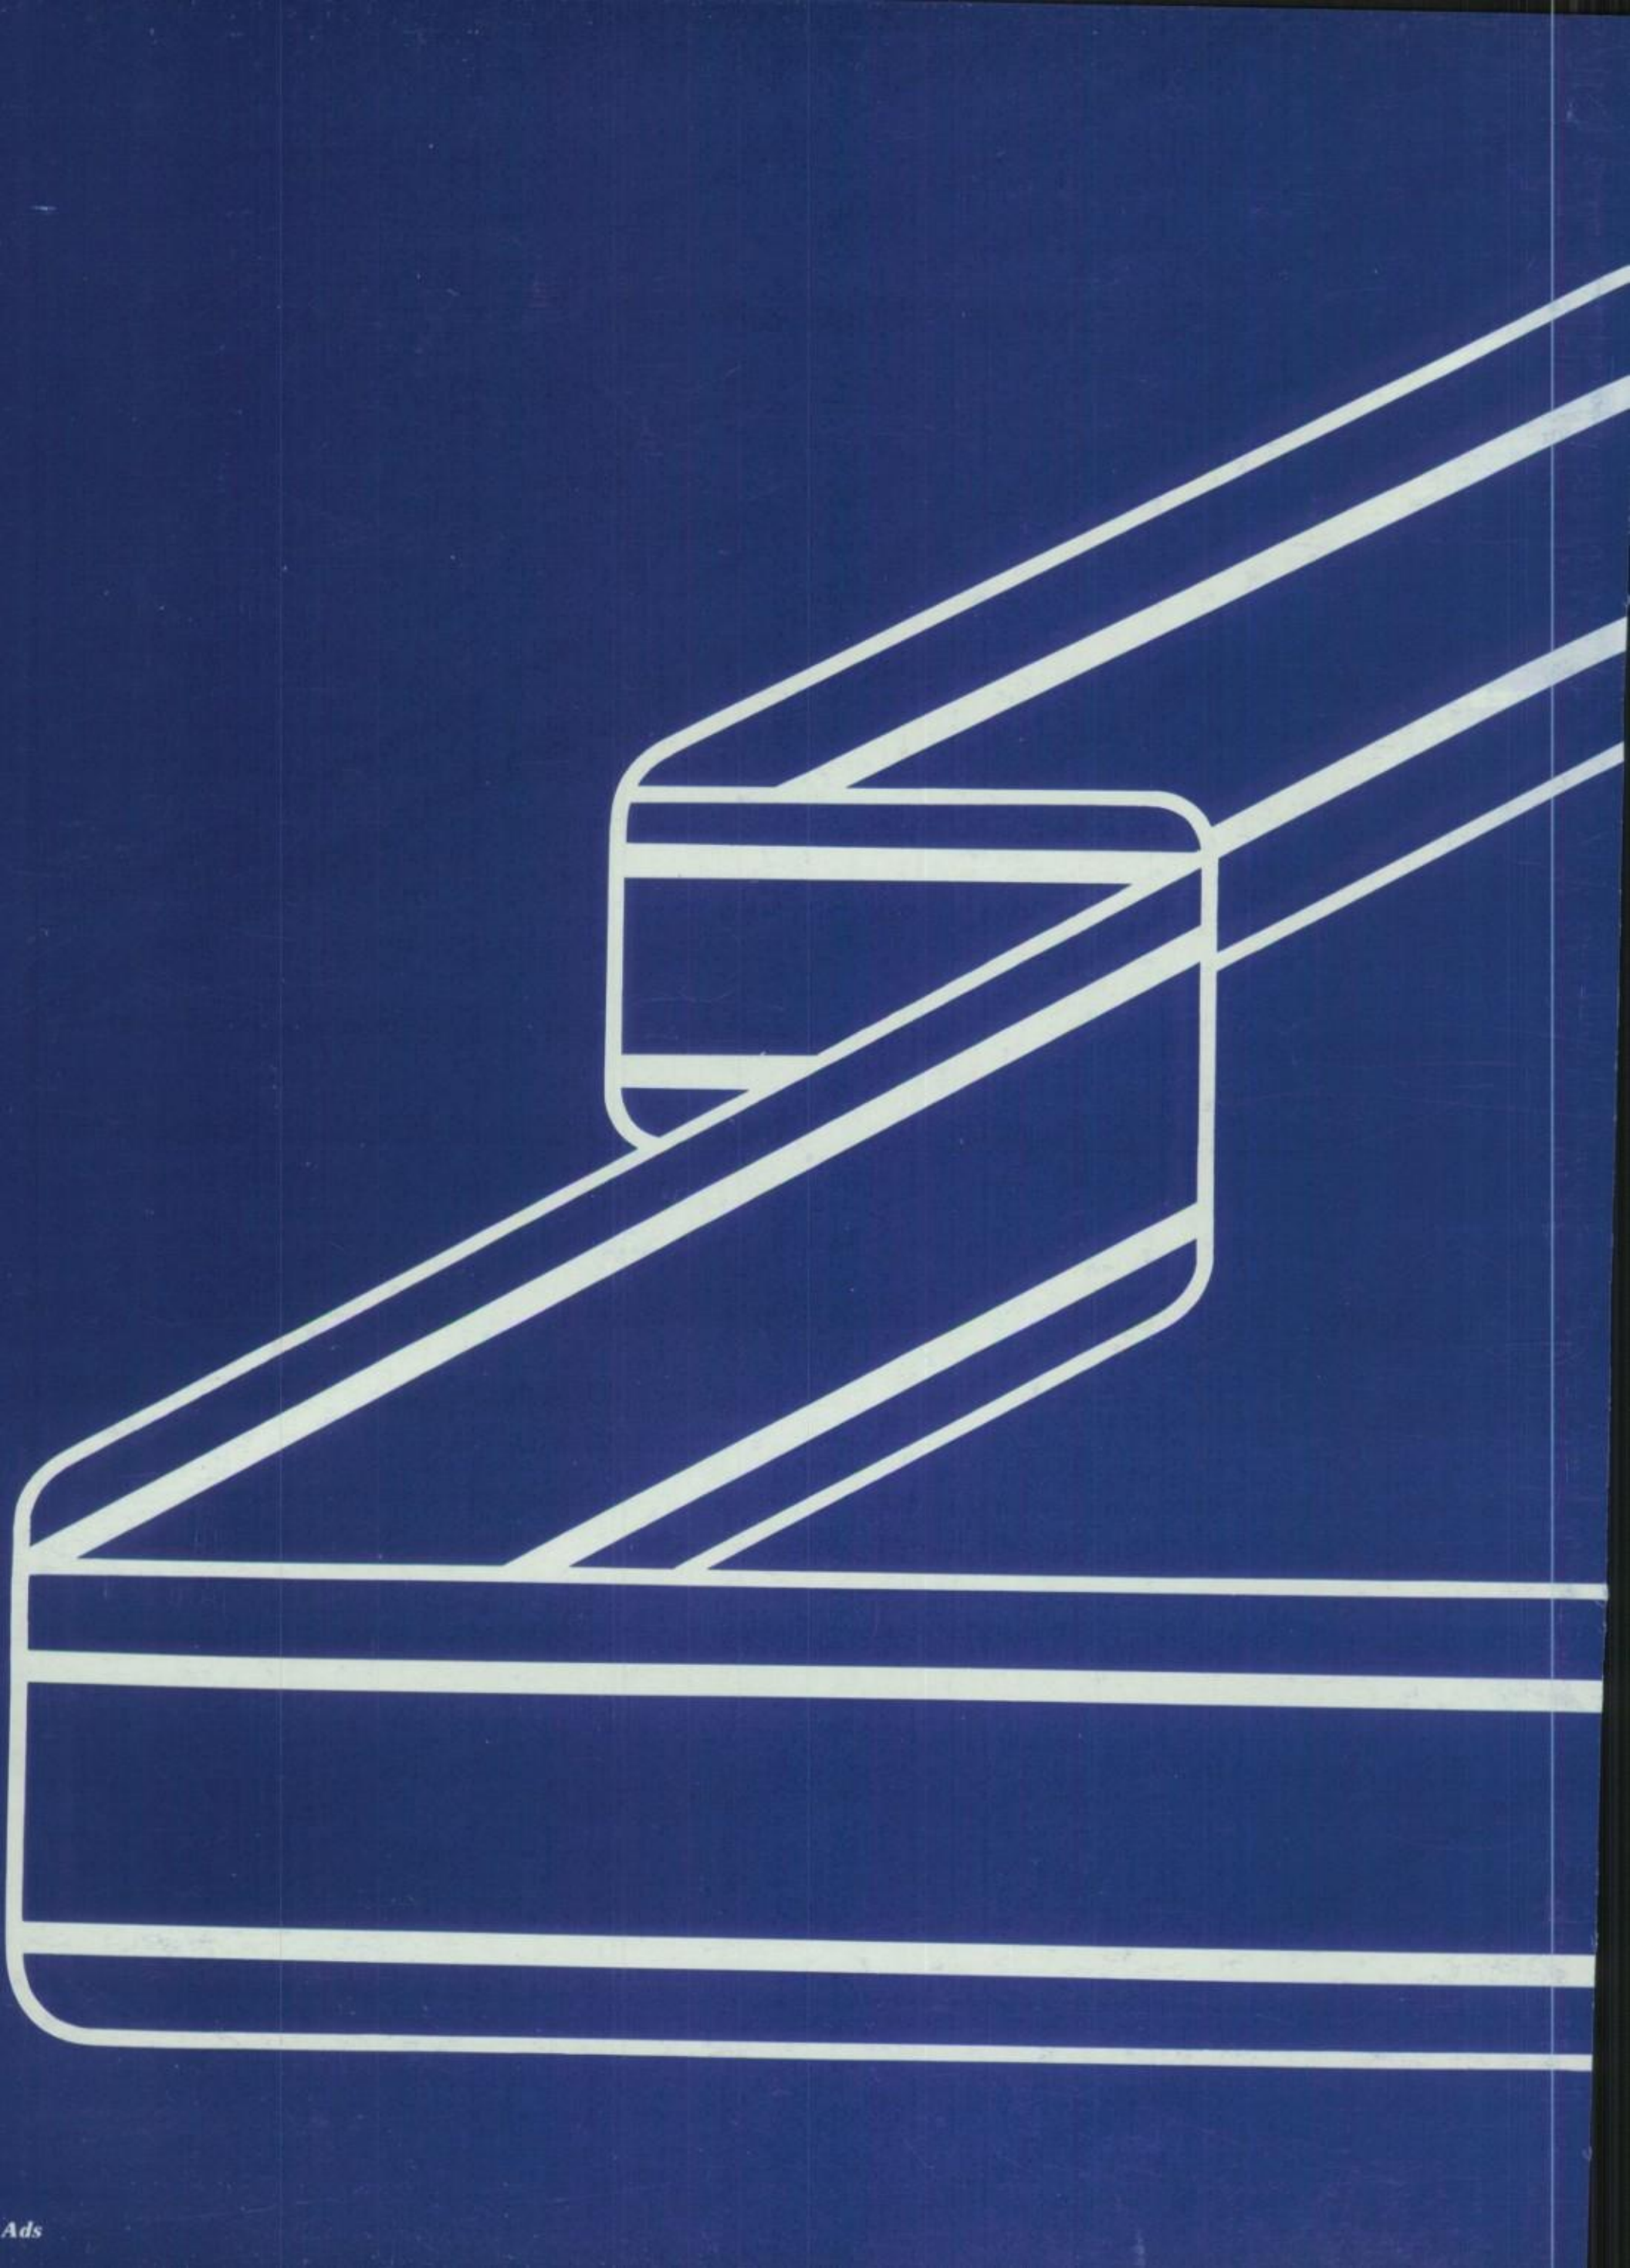

Kim O'Dowd is about to make her move.

Vera Hafner gets great height on her jump.

Jovan Pinaga (above) and Becky Tarubi display excellent shot-putting form.

I BELIEVE IN CHILDREN...

*...there is faith in their eyes,
love in their touch and hope in their attitude.
I thrill with them at life's joys,
run with them through tall grasses
and bow with them in worship.*

*They are the fragile dreams of yesterday,
life's radiant reality today
and the vibrant stuff of tomorrow.
Yes, I believe in children.

With the arrival of the 1984 Games in Los Angeles, the Olympic spirit has reached everyone, especially the students at La Habra High School. This year the students were always striving for goals and constantly excelling in all areas. With the Olympics in California, we chose the theme of "Going for the Gold" because it truly exemplified the students of La Habra High School.

The Yearbook would not have been possible without the tremendous help we received from various people. First, we'd like to thank Albert and James for their fantastic photography. A special thanks goes to Mr. Ortega for designing our cover. We'd also like to thank Sergio Chin for his long hours of hard work with yearbook sales, and also designing our division pages. But most of all, we'd like to thank the man whose never-ending patience, dedication and inspiration truly deserves the gold, our advisor, Mr. Pendell. Without his continual love and understanding we would have not crossed the finish. To Laurel Stevens, Editor and her Associate Editor, Debbie Knight we wish you the best of luck, and hope you continue to go for the gold and carry on the highlander pride.
